

Hoover Happenings

Week of 4/21/25

Ms. Williams

We had a lot of visitors come in and work with our class.

We read books, played with musical instruments, played with color scarfs, and learned the word help on our communication devices.

Mrs. Wohlfeill

We celebrated Earth day by learning about ways to help the Earth and we planted seeds and will be watching them grow!

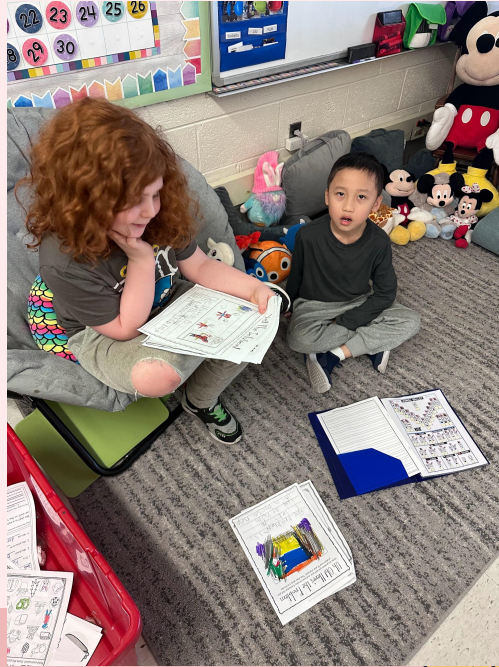

Mrs. Gorski

We closed out our school week by visiting our school library and learned how to checkout books. Afterwards we sat on our comfy reading couch and enjoyed our books.

Mrs. Becker

We worked with a partner to plan out sequential events for our narrative stories.

Mrs. Hughes

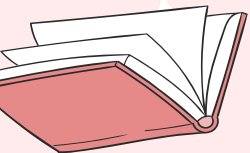

Spring Celebration

Mrs. Yager

This week we worked on healthy approaches to problem solving during our Morning Meetings.

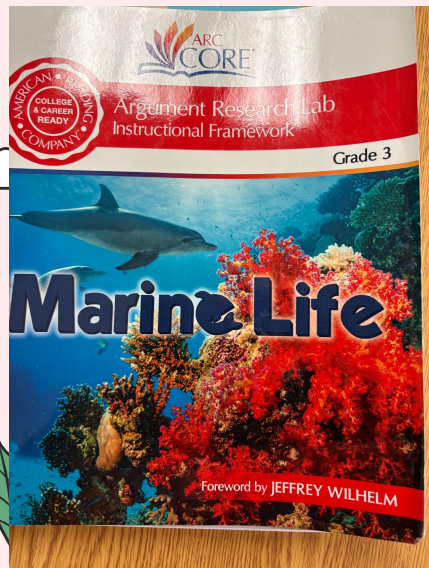

Mrs. Beller

We finally have spring weather and the kids are having a blast during outside recess!!

Ms. Culver

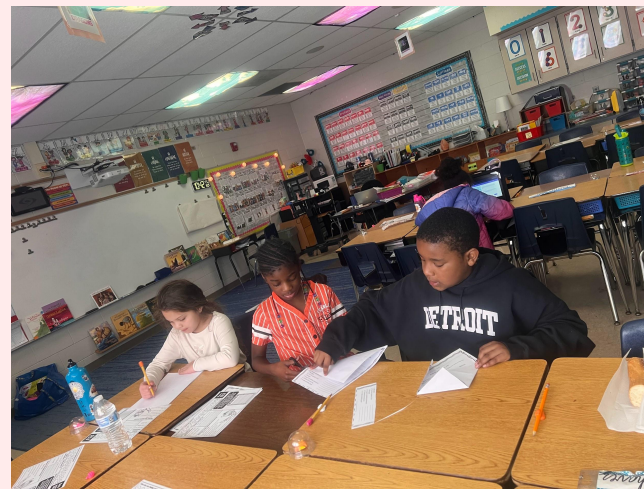

We're starting our last ARC unit this year. We are learning about Marine Life. The kids also enjoyed one of their brain breaks this week - doing yoga poses.

Mrs. Suder

We spent some time building and creating in our own ways to wrap up our week. We also had an opportunity to recognize our group point winners with a pizza party!

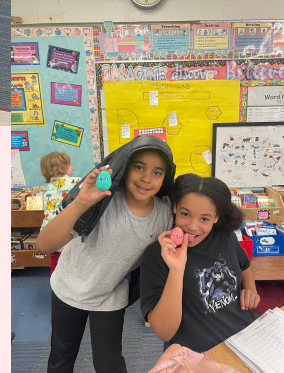

Mr. O

This week we read short passages and tried to find the main idea. We learned about 'Who, What, Where, When and Why'.

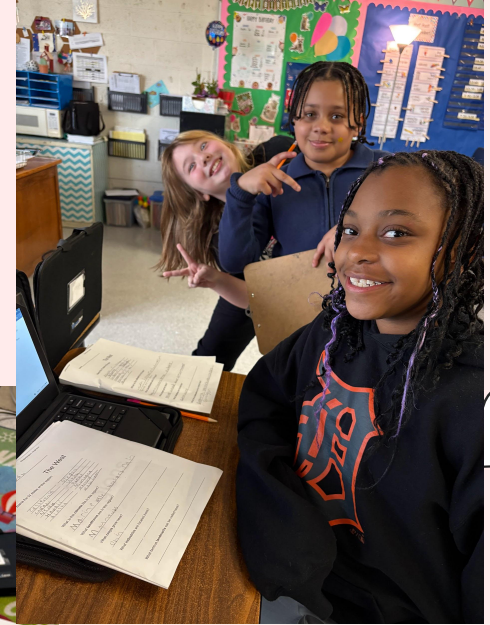

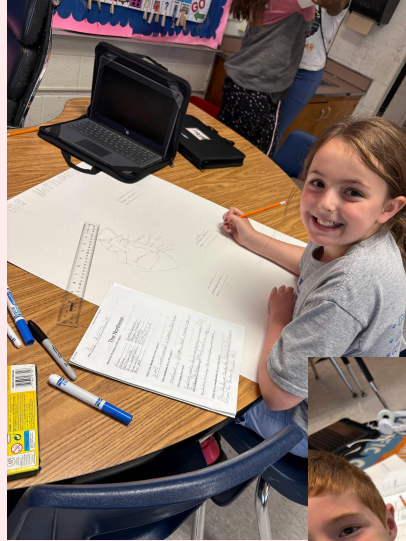

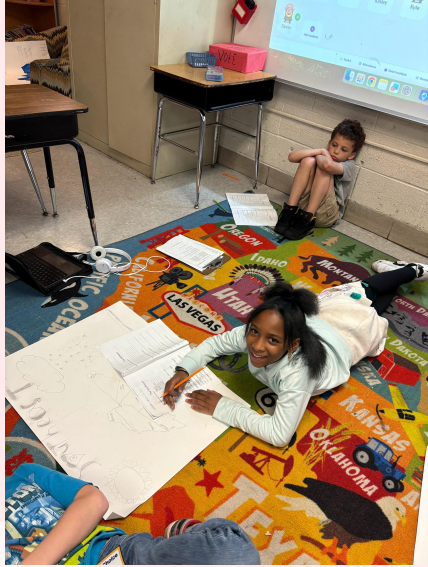

Ms. Johnson

On the hunt for the eggs the Easter Bunny left!

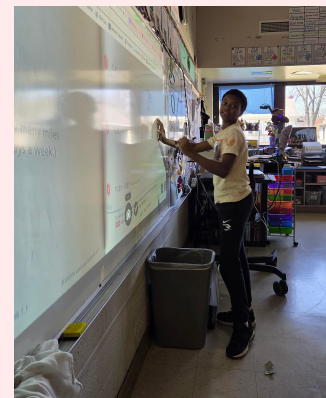

Mrs. Houston

We're starting our last ARC unit all about the 50 states. In social studies we are learning about the 5 regions and making posters to show all that we've learned!

Mr. LeMere

Text

Mrs. Gaedcke

We are really enjoying the nice weather but also making sure we keep up on our learning! We have been doing a great job working in pairs and teams!
