## Mystery Night

We hope you will be able to join us for a family favorite, our Hoover Mystery Night! Families will work together to solve a series of clues taking you on an indoor road rally throughout the school. Gift baskets will be raffled off at the end of the evening! Families should have returned an RSVP. The festivities begin @ 6:00 p.m.

## Bunny Gram Sale

Bunny Gram forms were sent home yesterday with students! Families are able to purchase a full sized chocolate bunny to their student, or students are able to send one to a friend, with a fun message! The cost is \$2 per Bunny Gram. All proceeds go to Hoover student activities. Bunny Grams are due the day we return from spring break, April 3. We will not be able to except late submissions due to the quick turn around. Bunny Grams will be delivered on April 6.

## January and February Students of the Month

Hoover School mantra is, Practice Safety, Act Responsibly and Be respectful..Each month classroom teachers choose one "Student of the Month". Throughout the month this student consistently met our Hoover behavior expectations and has done their personal best when it comes to academics and their studies. Each month we honor these incredible students at our Student of the Month breakfast! Here are our January and February Students of the Month:

## Celebrate Reding This Month

March is reading month! We will be celebrating throughout the month! We will be holding spirit days each Wednesday and Friday this month. See the above calendar for specifics! We are also welcoming "Mystery Readers". If you would like to be a Mystery Reader or know of a relative who may want to share their love of reading, please have them call the Hoover office. Readers can bring their favorite children's book or we will provide one for you! Teachers will not reveal who the mystery reader will be until they arrive! We hope you can make it! We will culminate the month with "Bill the Magician" with a focus on reading!

## Hazel Park Attendance Policy

As you probably know, ATTENDANCE COUNTS! There are many lessons the pandemic taught us. One of those lessons is, In-person learning is highly preferred to online learning for most families! When students are absent from school due to illness or appointments families will often request work for their student. This is great! We appreciate your support! However, I hope we all realize that there is so much more to the school day than the few "worksheets" sent home with students. There is discussion, interaction, problem-solving, play, laughter, conflict, manipulatives, fun, technology, and sometimes even tears! Our classrooms are communities of learners working together through a variety of modalities! While the make-up work is a support, it does not replace the school day!

Please do whatever you can to get your student to school! It makes a difference! I have attached the attendance policies, again, to the accompanying email. Our attendance policy excuses four illness absences when students are called in. Medical documentation is necessary for absences due to illness after the fourth absence. Please see the attached policy for details, or call the Hoover Office if you have any questions or wonderings.

### **Thursday is Bagel Day**

Each Thursday we will be selling bagels for \$1. We have salt, plain, everything, and salt sticks. The funds raised through our bagel sale will be used to sponsor our monthly celebrations and other fun events for students.
