

# Hoover Happenings

Week of April 28

# Ms. Williams

This week we went on a field trip to the Nature center. Even though it rained we went on the trail for a short hike. We had fun playing in the classroom of the nature center and we meet a turtle named, "Pinky."

# Mrs. Wohlfeill

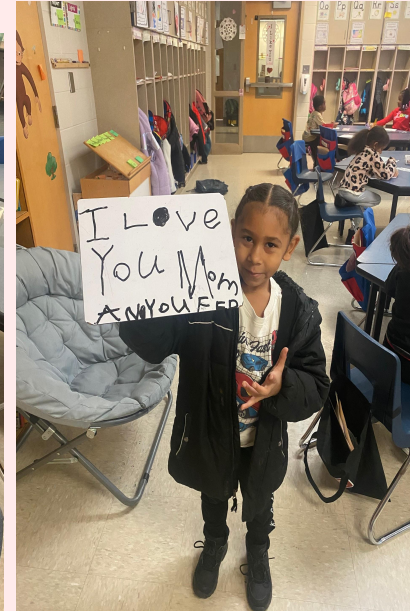

This week, we planted our pumpkin seeds and now we will care for them and watch them grow!! We are recording our observations in our plants journals!

# Mrs. Gorski

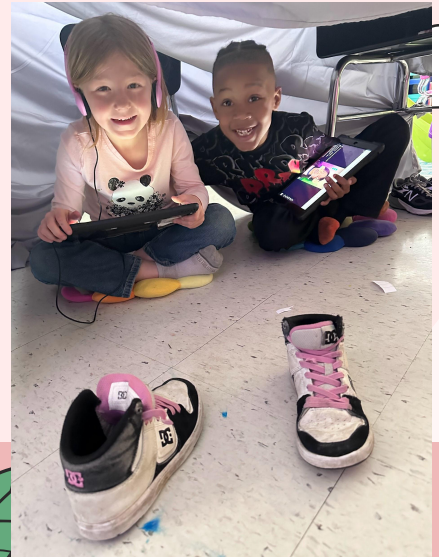

As the school year quickly draws to a close, all the hard work and practice we've done throughout the year begins to become evident. What smart kiddos!

# Mrs. Becker

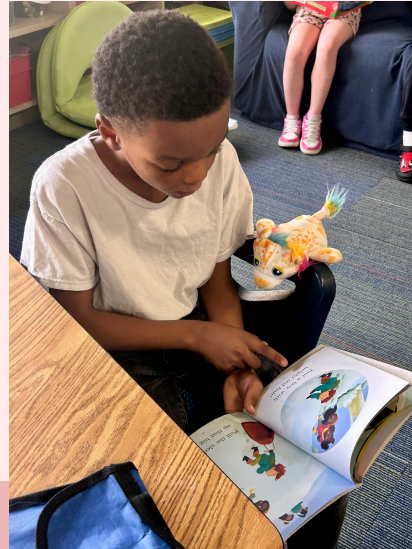

Our class voted for a “Fort Party” as a reward for good behavior during the month of April.  
So many giggles coming out of those forts!

# Mrs. Hughes

Our class got some new reading buddies!

# Mrs. Yager

This week in science we conducted experiments to determine if our rock was sedimentary, igneous, or metamorphic.

# Mrs. Beller

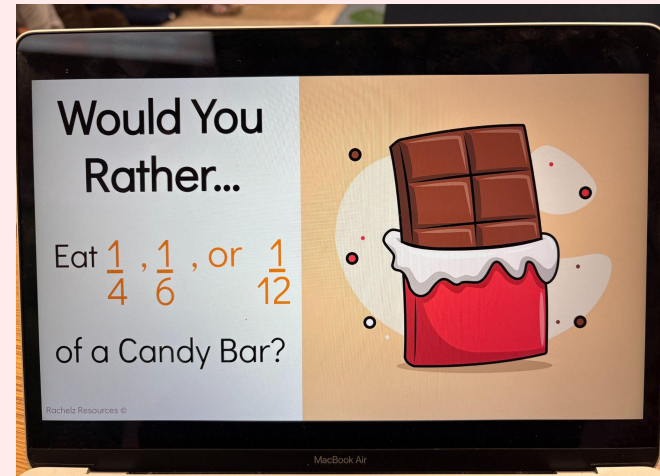

## GAME DAY!!!

# Ms. Culver

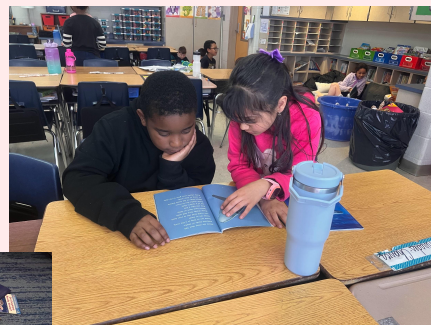

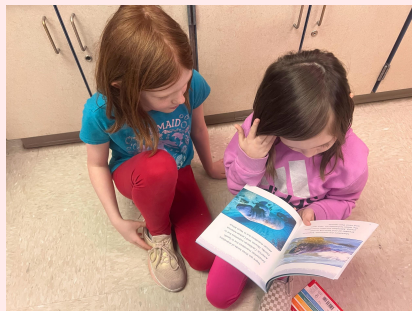

We had a great lesson this week on fractions. We used giant Hershey's bars to learn about simple fractions. The best part was that we got to eat some of our math lesson!!

# Mrs. Suder

We have started our research on Marine Life. The students were excited to explore informational texts with a partner and share the fun facts they found.

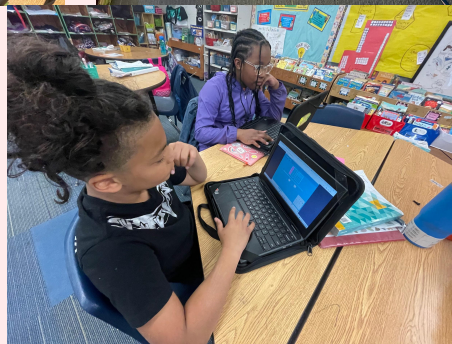

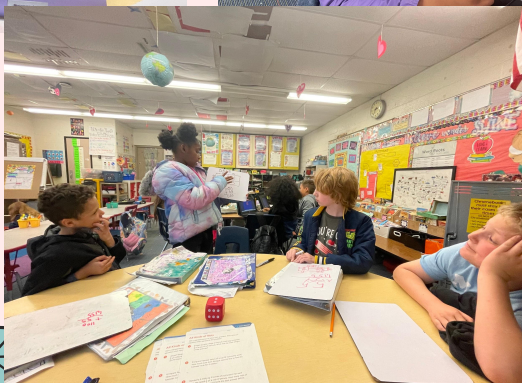

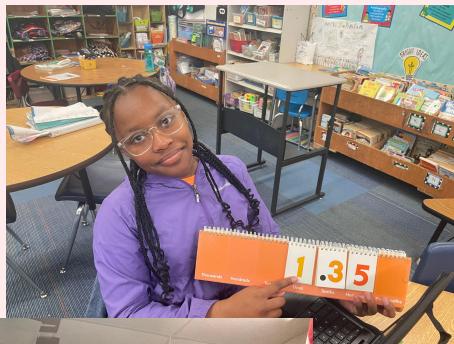

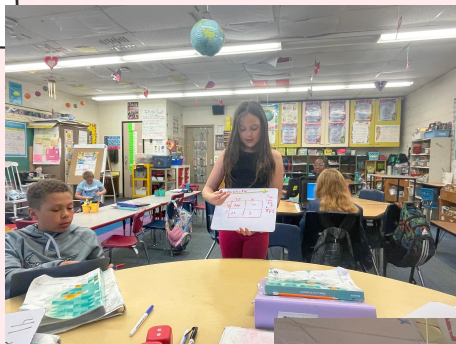

**Mr. O :** Enjoying the weather and our classmates! We earned some Go Fish time! Had a blast in gym and drew some incredible pictures!

# Ms. Johnson

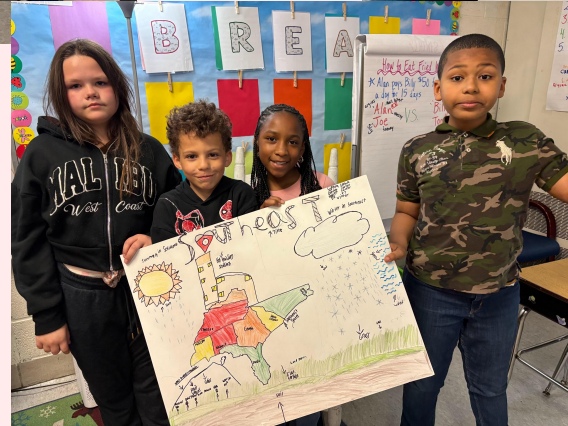

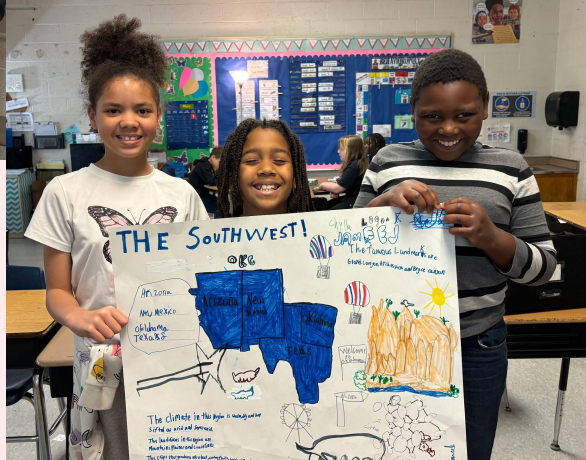

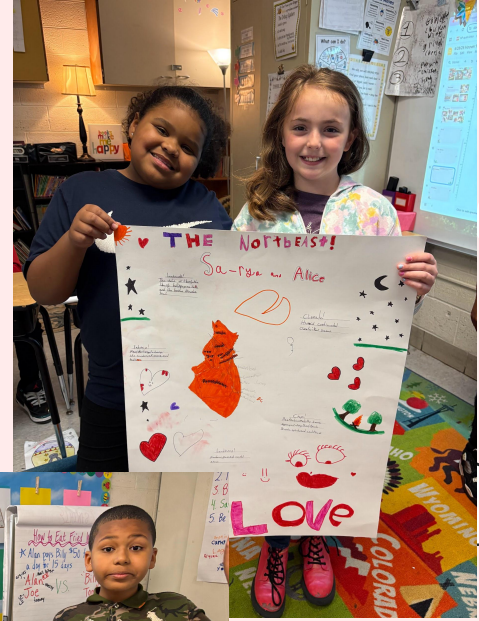

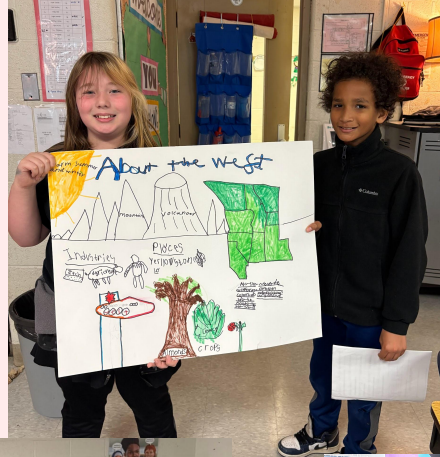

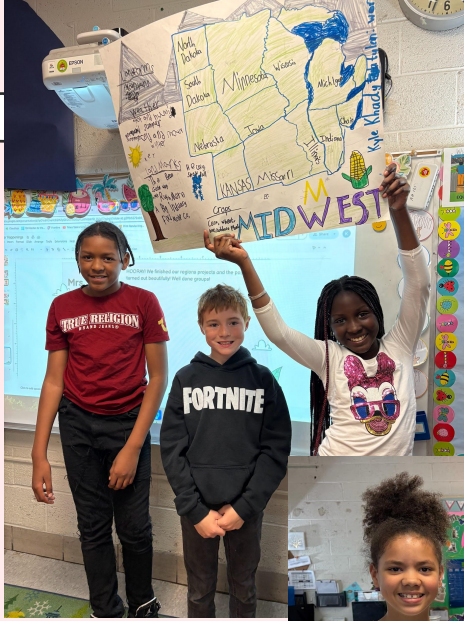

## Student Led Math Centers

# Mrs. Houston

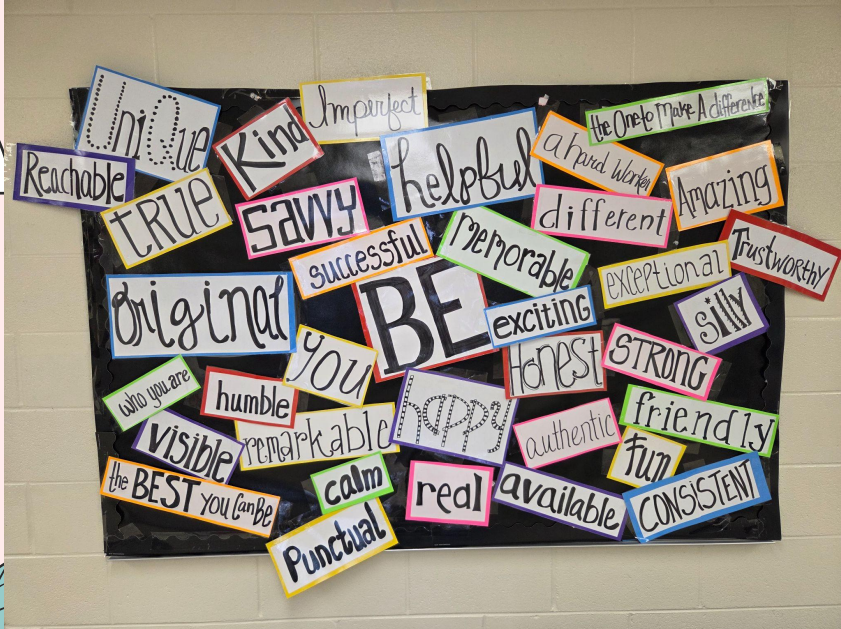

HOORAY! We finished our regions projects and the posters turned out beautifully! Well done groups!

# Mr. LeMere

Our Civil War unit in ELA has begun and these kids are fully immersed in it. Our crafts on fridays continue to be amazing!

# Mrs. Gaedcke

We have been working hard during class time to earn some free choice at the end of the day! We have loved playing board games and free choice on our Chromebooks!
