

# Hoover Happenings

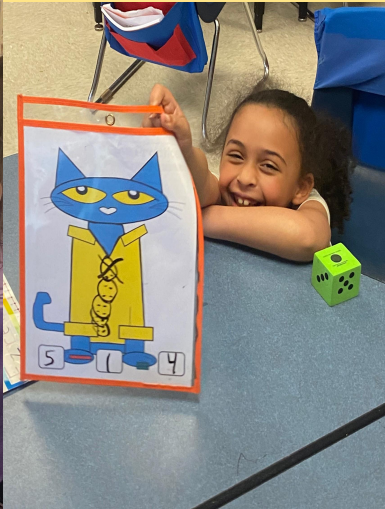

For the week of 5/13/24

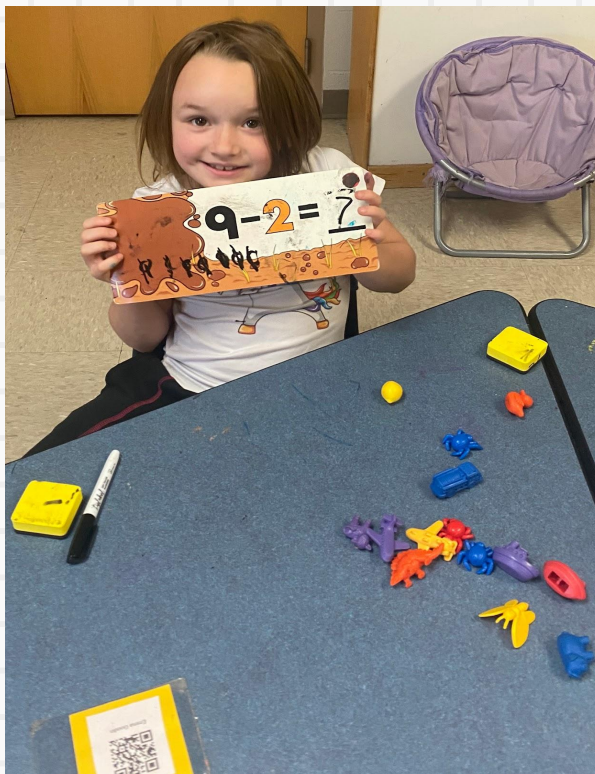

# Mrs. Gorski's Kindergarten Class!

This week in Kindergarten we spent time practicing the skill of subtraction. One of our favorite new ways to practice subtraction is by using our Pete the Cat Subtraction Pocket.

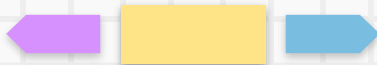

We also practiced using different methods to subtract. We have learned to use our fingers, draw pictures that go with the equation and use counters/objects to solve the equation.

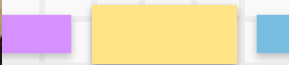

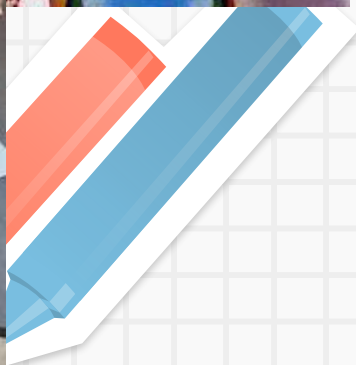

# Mrs. Wohlfeill's Kindergarten Class

We had a blast during Career Day this week! We had a firefighter, a chef and a truck driver come in a talk to us about their jobs! We also got to pretend to be a trucker and drive to deliver “trees” on our “big rigs” (scooters). We had so much fun and learned a lot!

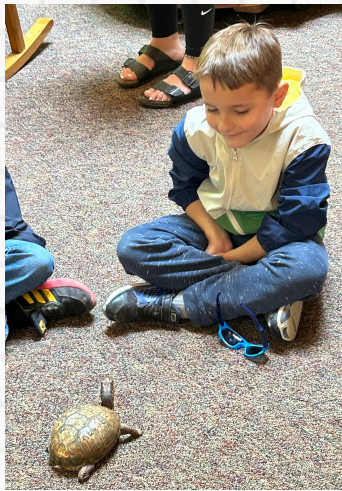

# Mrs. Hughes' First Grade Class

## Field Trip

Our first graders were able to travel to the Red Oaks Nature Center this week. We took a nature walk, listened to a story, and even got to pet a turtle! They learned about different types of birds, animals, and flowers.

# Mrs. Becker's First Grade Class

We had a blast on our field trip to Red Oaks Nature Center! We enjoyed a plant presentation, nature hike, bird watching & listening, exploration time, and even got to pet a turtle. What a fun learning experience!

Thank you to all of our chaperones! We couldn't have done it without you!

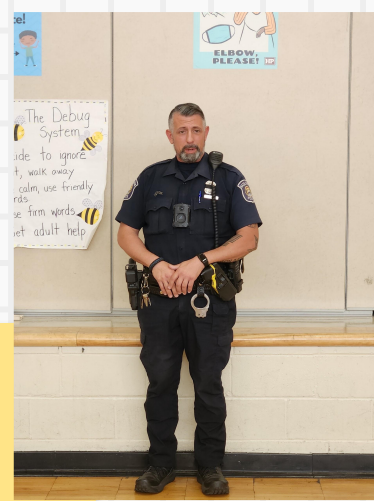

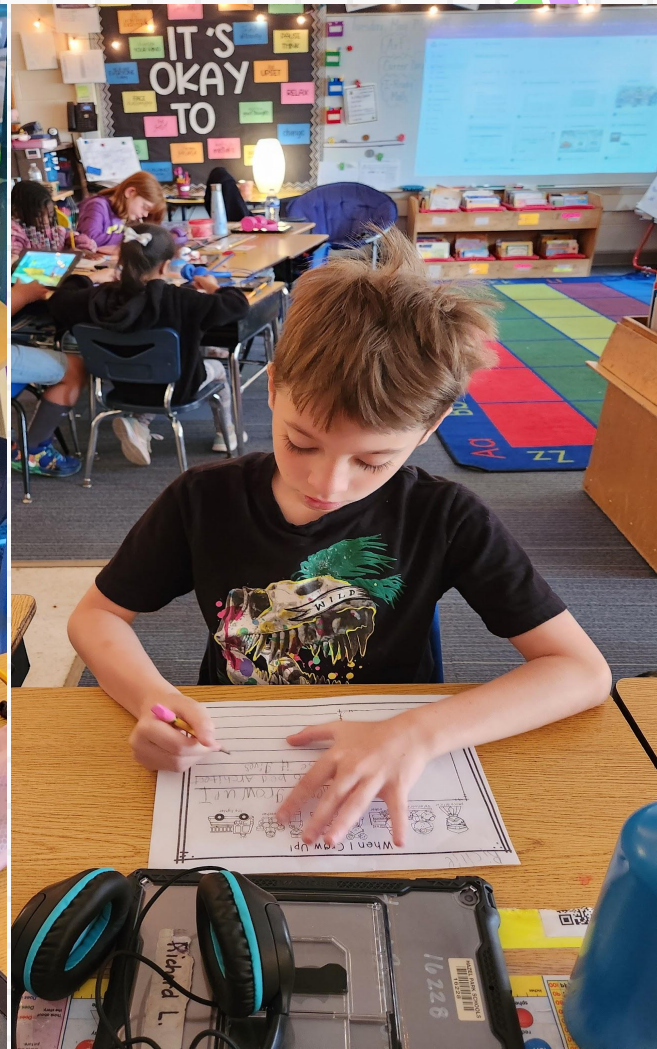

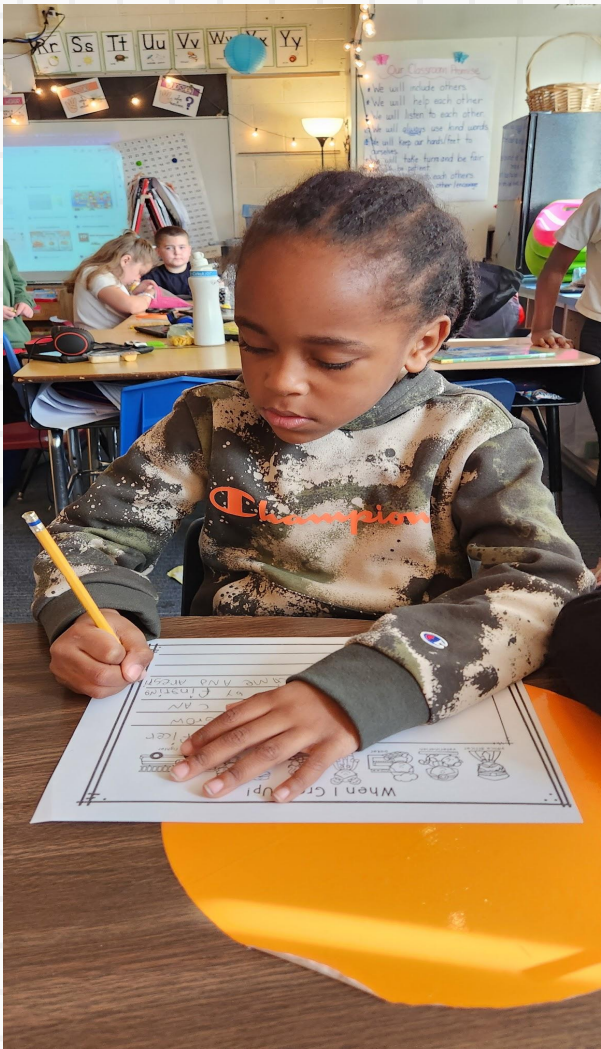

**Mrs.  
Beller's**

**Second Grade Class**

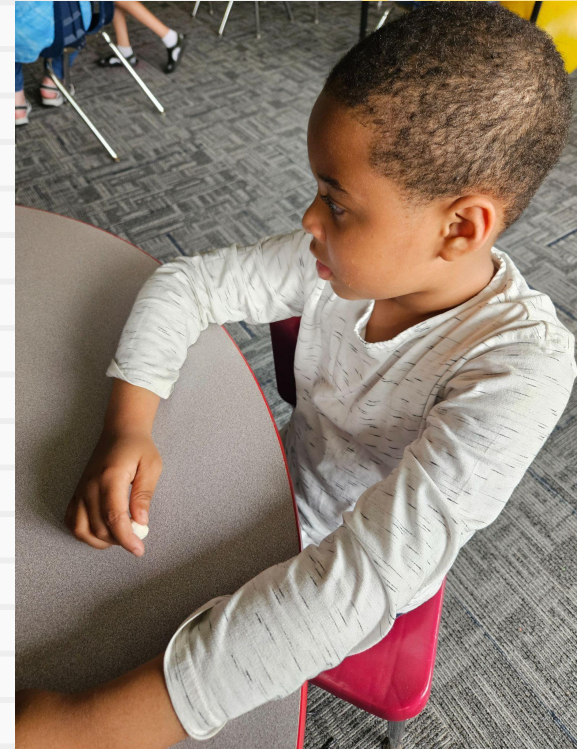

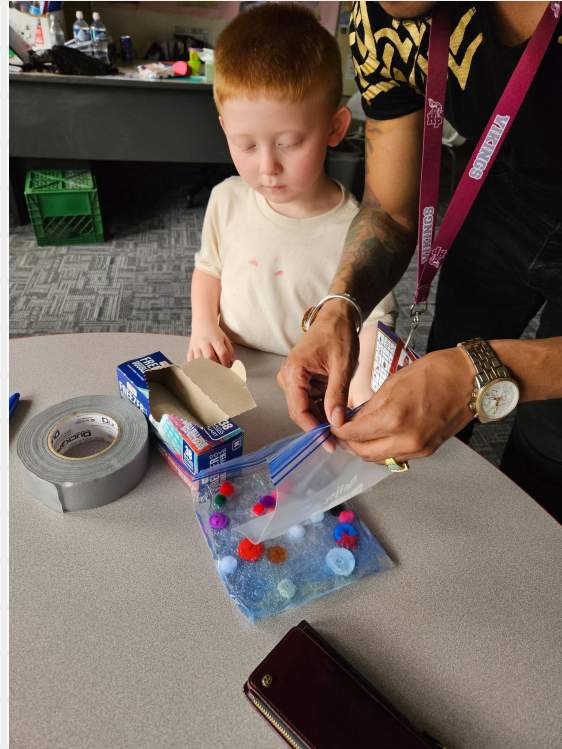

**On Tuesday we had Career Day. Students were able to listen to two guest speakers. They also wrote about what they want to be when they grow up! I was amazed at the different careers they chose.**

# Ms. Williams' class

We had a lot of fun making sensory bags today with Ms. Sarah our Speech and Language Pathologist as well as our wonderful paras, Mr. C and Mrs. H. We enjoyed picking out the items that we put in our sensory bags.
