

Hoover Happenings

For the week of 5/6/24

Mrs. Gorski's Kindergarten Class!

This week in Kindergarten we took a field trip to the Detroit Zoo with our friends in Mrs. Wohlfeill's and Ms. Williams' Class.

Mrs. Wohlfeill's Kindergarten Class

This week, kindergarten took a field trip to the Detroit Zoo! It was such a beautiful day! We got to see all of the animals that we have been learning about all year! It was a great trip!!

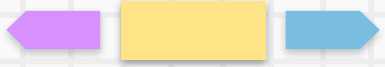

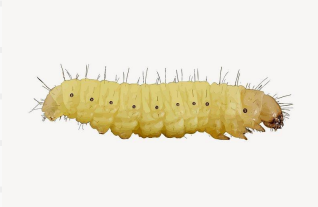

Mrs. Hughes' First Grade Class

We finished up our butterfly life cycle unit by letting our butterflies go in Hoover's courtyard. The students were excited to see the process of becoming butterflies and even more excited to watch them fly!

Mrs. Becker's First Grade Class

Over the past few weeks, we grew and raised 8 butterflies from caterpillars. We were able to successfully release them in the courtyard. It was bittersweet to watch them fly away!

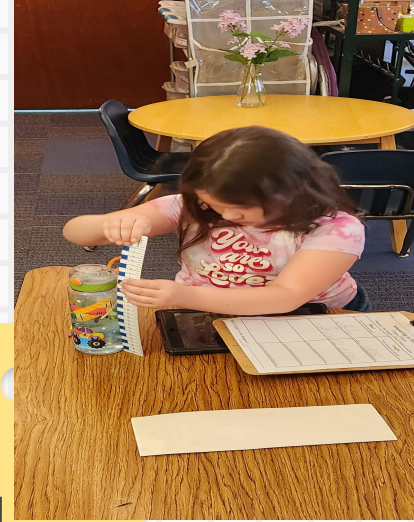

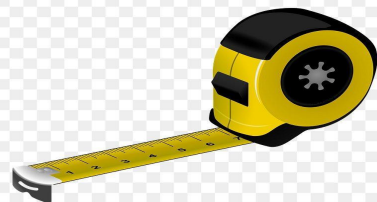

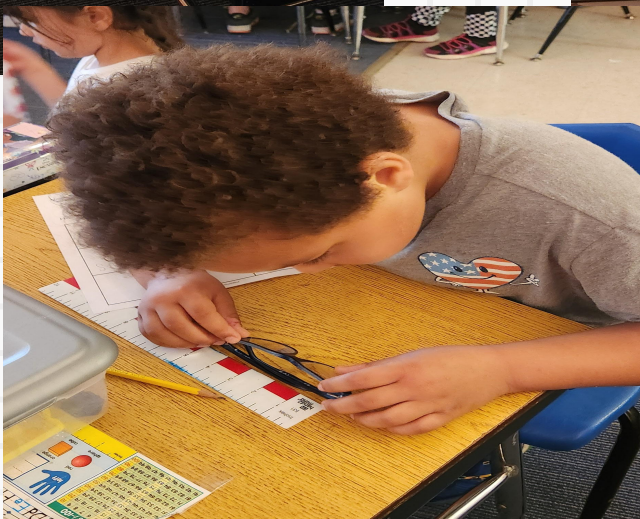

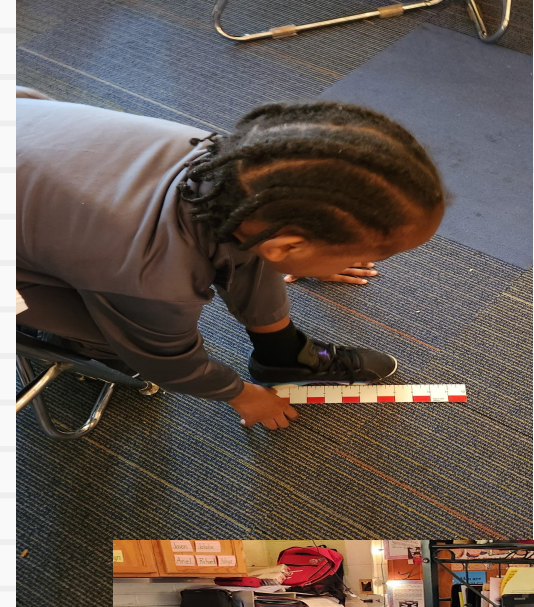

**Mrs.
Beller's**

Second Grade Class

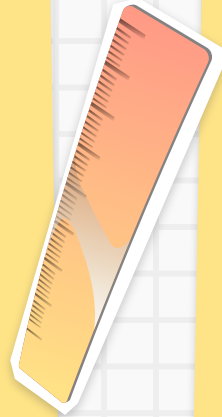

This week we practiced measuring in inches and centimeters. We also estimated how long items were before measuring them. Students had fun measuring parts of their body.

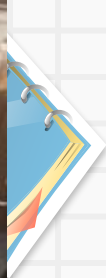

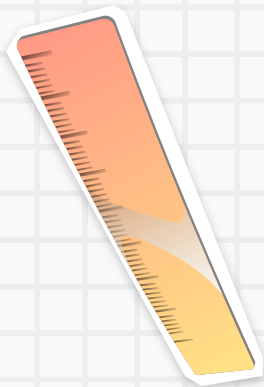

**Mrs. Yager's
Second
Grade Class**

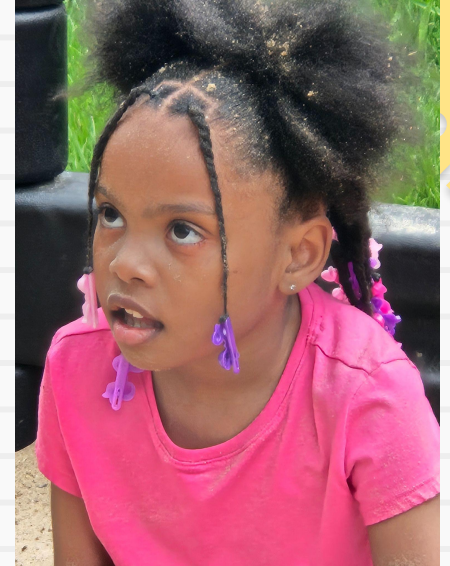

This week we
had fun
completing our
Mother's Day
craft.

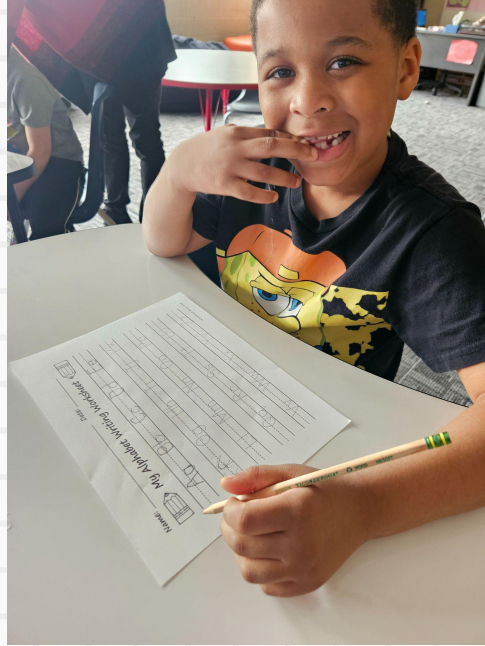

MS. Williams' Class

We had a lot of fun this week working on writing, going on a field trip to the zoo, making a Mother's day craft, and making cloud dough.
