

# Hoover Happenings

3-5

For the week of 5/15/23

# Mrs. Suder's Third Grade Classroom

We have had two great experiences this week... We had special visitors from Cranbrook come into our classroom and do an interactive demonstration with our class. The students were excited to show what they learned about ecosystems and food webs. We also got the privilege of walking over to the high school and watching the talent show performers do their talent on the stage in the auditorium.

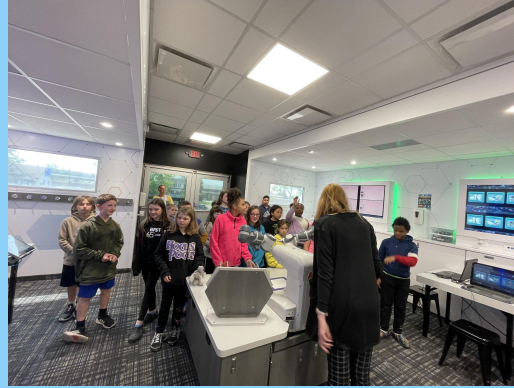

# Mrs. Johnson's Fourth Grade Classroom

STEMi  
Truck Experience  
Science  
Technology  
Engineering  
Mathematics  
imagination!!!!

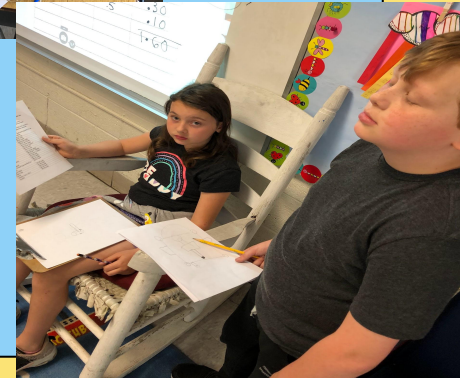

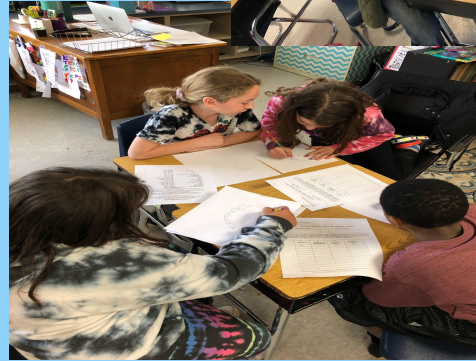

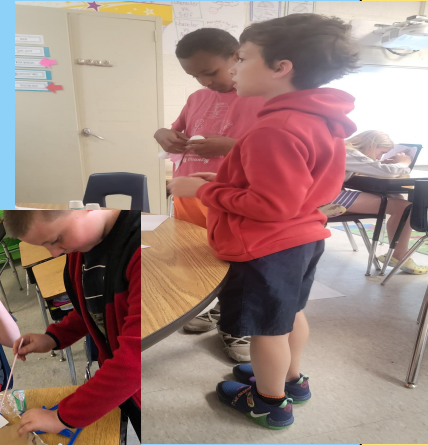

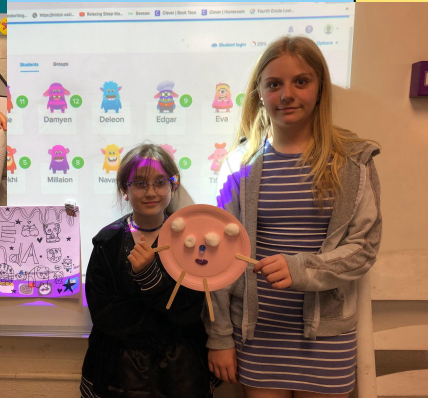

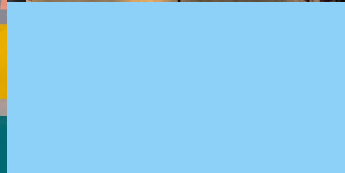

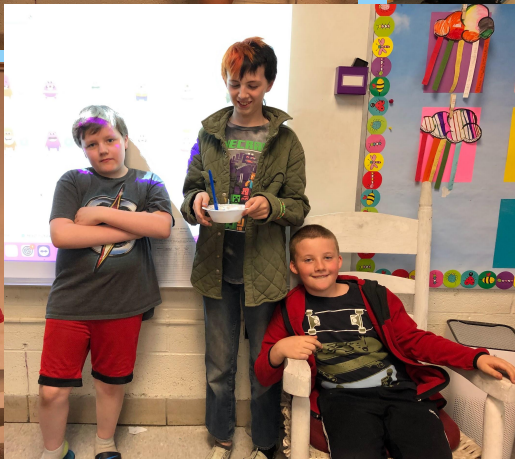

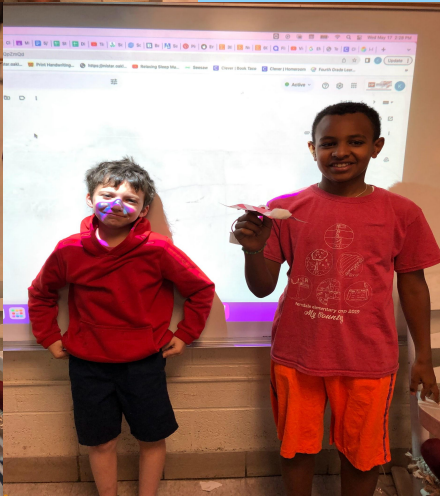

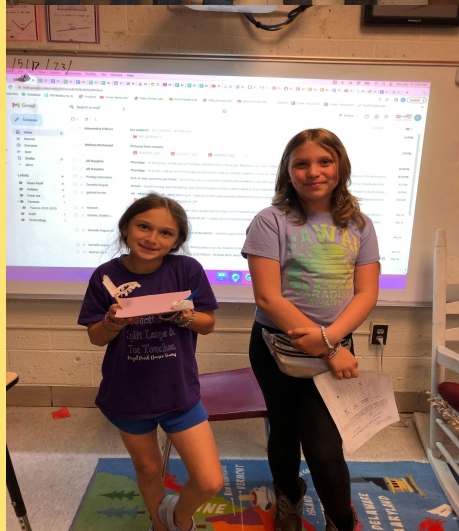

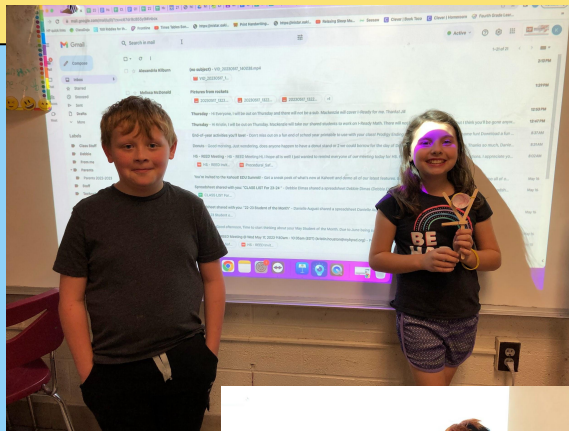

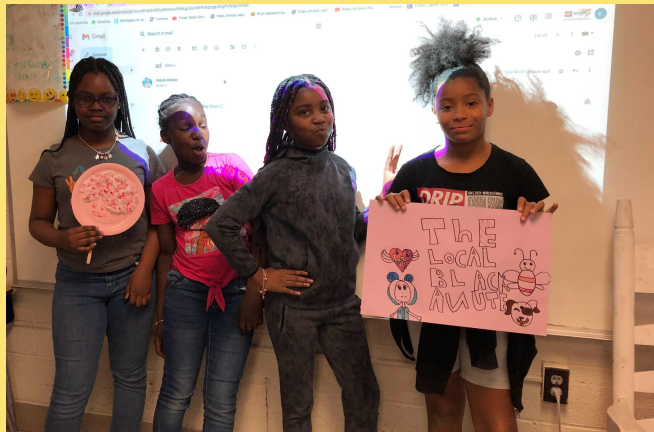

# Mrs. Houston's Fourth Grade Class

This week we finished our unit on economics. Our final project consisted of planning and building an object, calculating the cost of materials, making a commercial to sell it and figuring out the sale price to make a profit. They came up with some brilliant ideas and congrats to Olivia and Allie for their winning construction of their Shoot a Hoop! Awesome job everyone!

# Mrs. Bienstock's Fifth Grade Classroom

CAMP!

# Mr. Bienstock's Fifth Grade Classroom

Camp  
Hazelwood  
Was A Blast!!

# Ms. Surratt's Class

On Monday, we got to support Zyrh for the talent show. We were very excited to see her perform.

We accomplished a lot this week. M-Step is officially done. All we need to worry about now is doing our last i-Ready assessment.

Cranbrook came in on Monday and talked to us about Dinosaurs and showed us a bunch of cool things. We even got to high five a T-Rex. On Friday, some of our 4th graders got to enjoy a field trip to the Science Museum at Cranbrook.
