

Hoover Happenings

Week of 5/26/25

Ms. Williams

This week we released our butterflies in the courtyard. We watched them go from caterpillars to butterflies. We learned about what they eat and watched as they were released. We were so excited when they flew away.

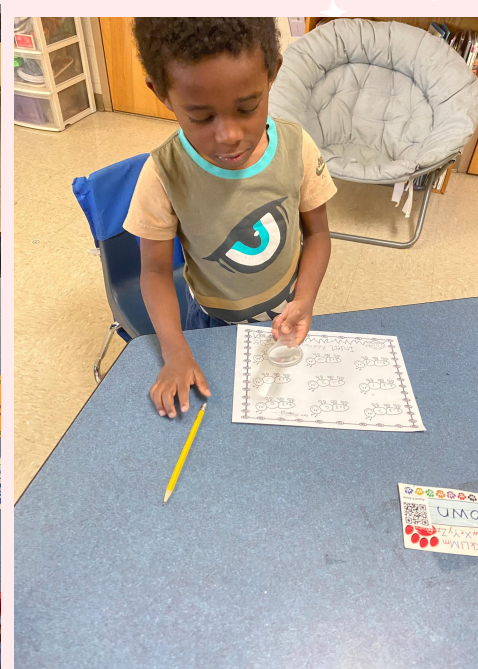

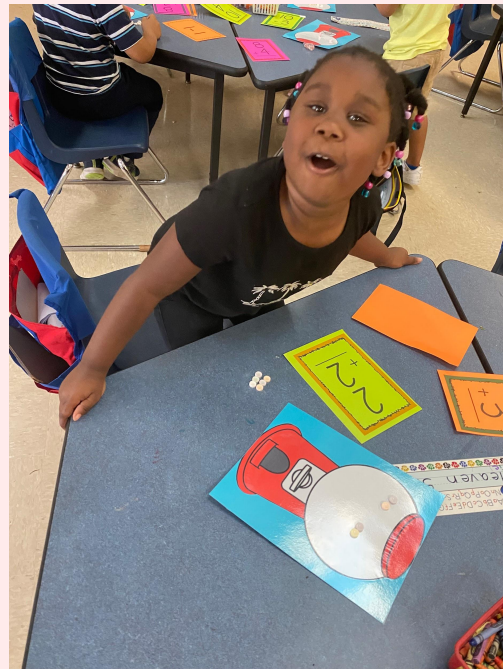

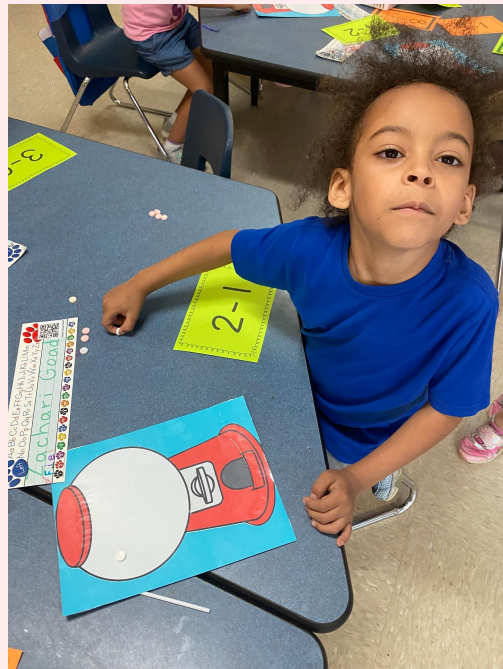

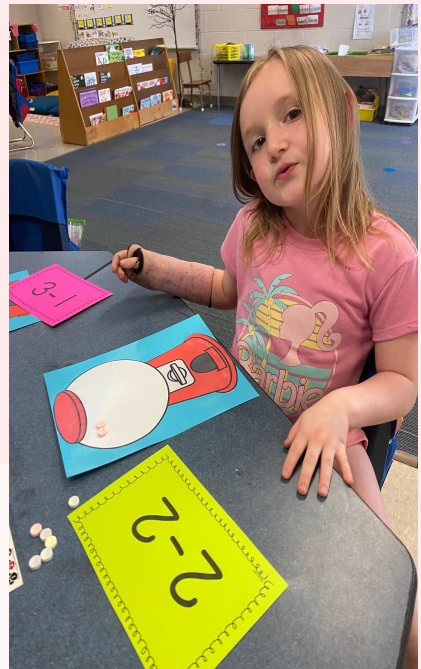

Mrs. Wohlfeill

We had an awesome time at the zoo!! It was rainy, but that didn't stop us from having fun!! All the animals were out! Thank you to all the chaperones who joined us!

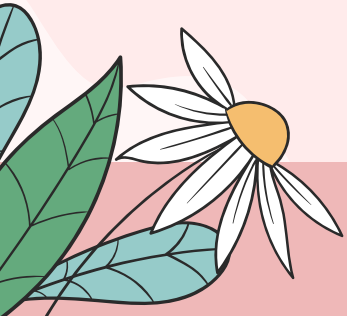

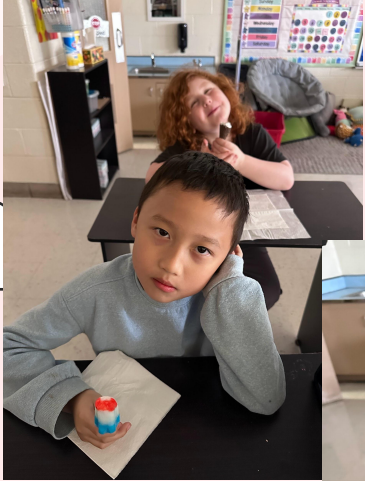

Mrs. Gorski

It was another busy week in Kindergarten. Featured below are some of our kiddos solving addition and subtraction facts.

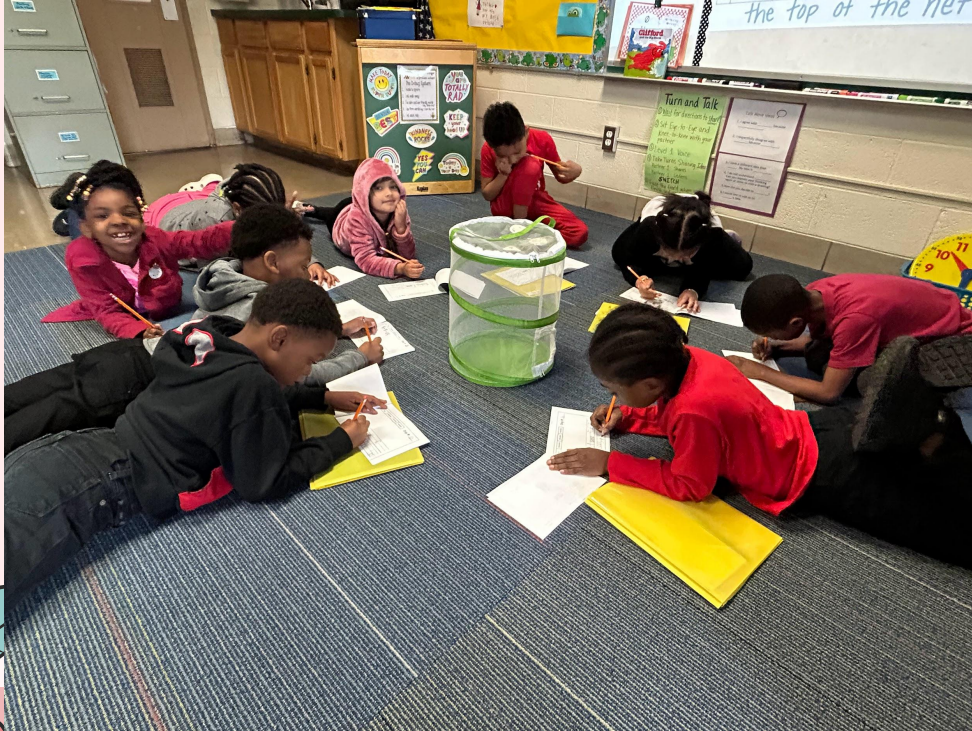

Mrs. Becker

Our class did a FANTASTIC job on their end-of-year i-Ready diagnostics. We celebrated with frozen treats!

Mrs. Hughes

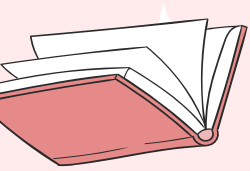

We are observing the life cycle of our butterflies. Students are recording their observations and patiently waiting for them to hatch.

Mrs. Yager

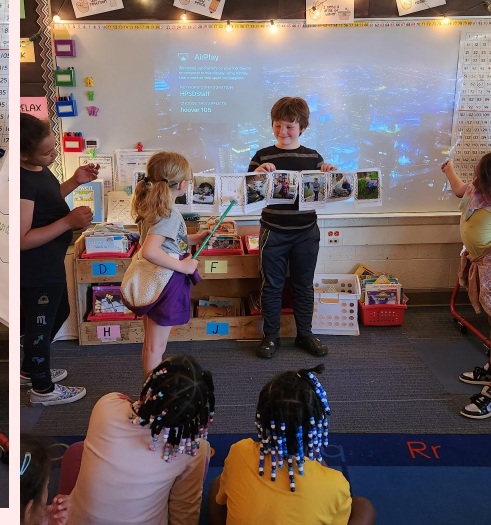

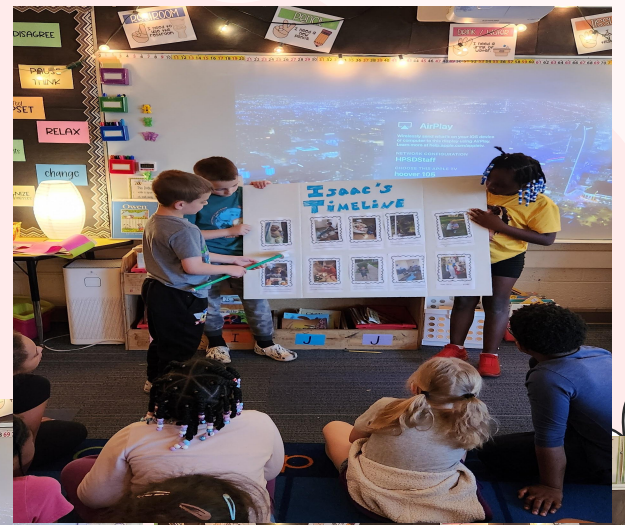

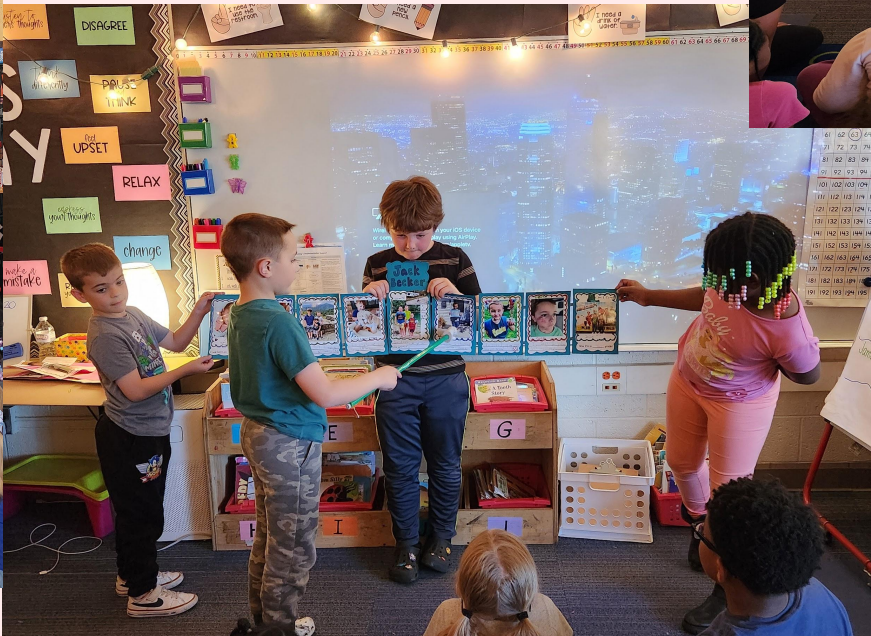

We have been hard at work researching animal defenses to complete our project!

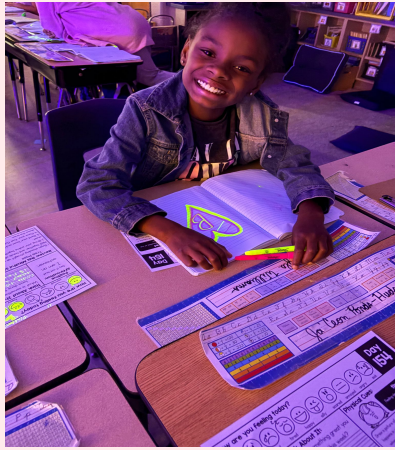

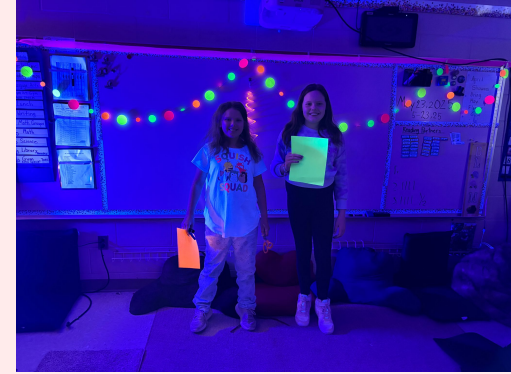

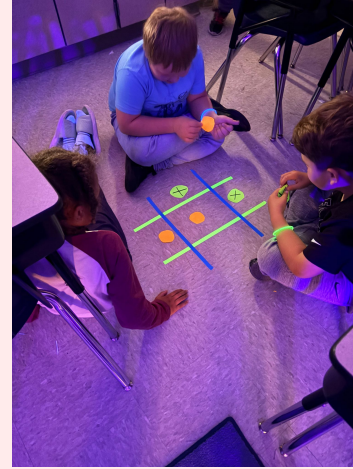

Mrs. Beller

Second Graders did a wonderful job presenting their timelines.

Ms. Culver

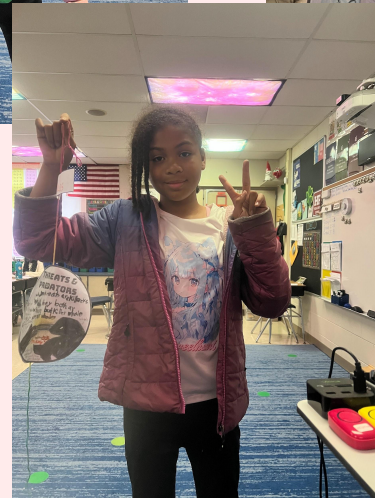

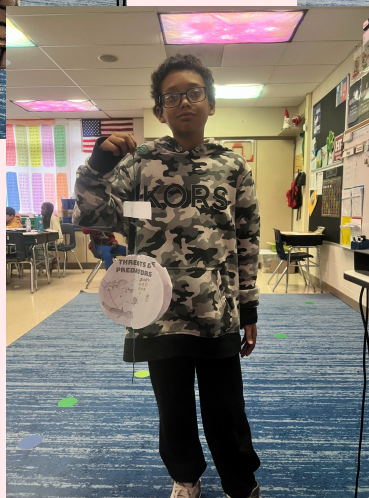

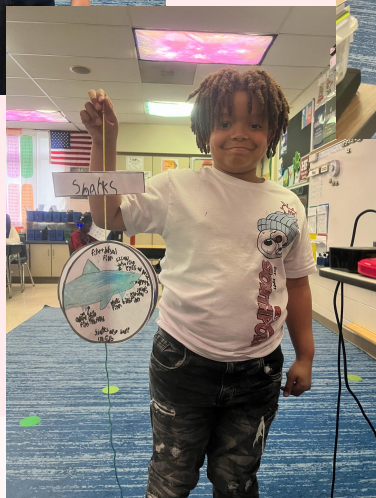

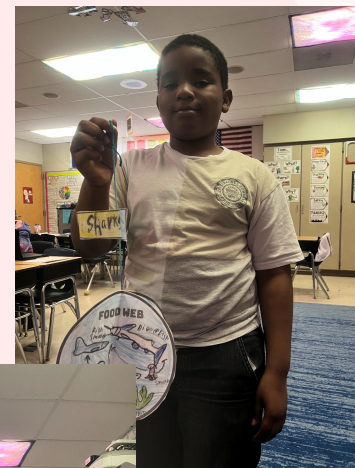

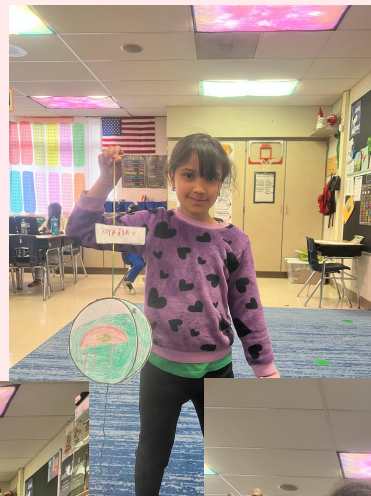

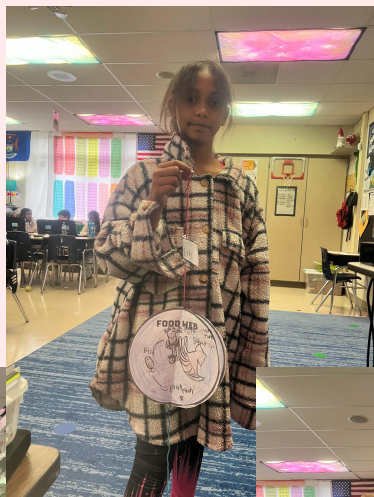

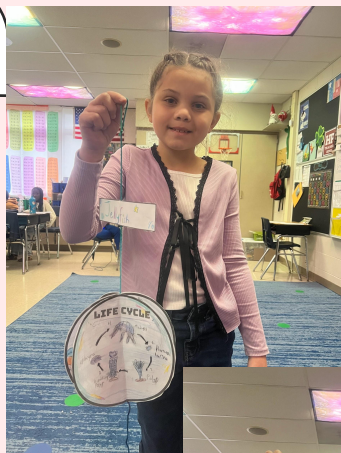

We have been working hard these last few weeks learning about fractions and Marine Life so we celebrated with a GLOW DAY! The students had fun playing in a dark room with a black light and lots of glowing activities. A GREAT time was had by all!!!!

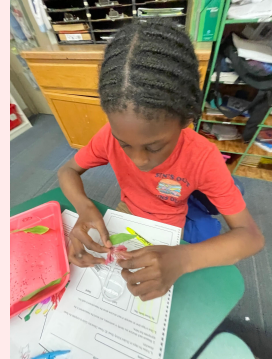

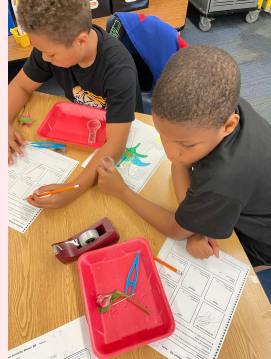

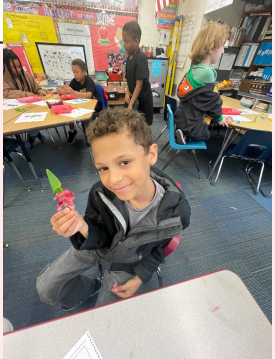

Mrs. Suder

We have been working really hard on researching Marine Life animals and forming opinions on how we can help protect them.

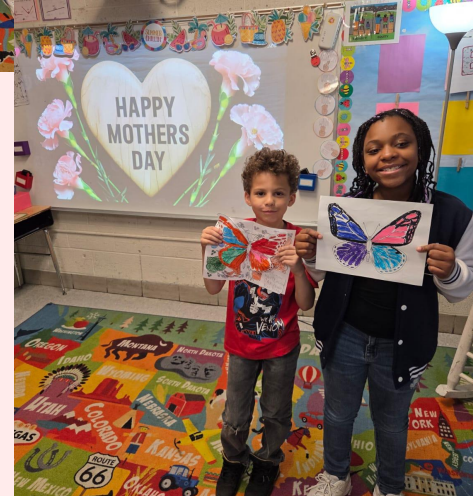

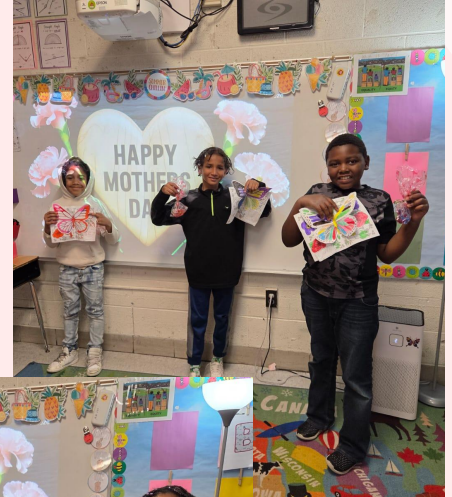

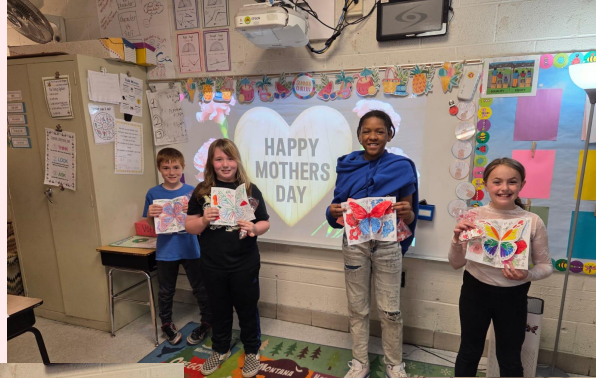

Ms. Johnson

Fun with flower and seed dissections!

Mrs. Houston

We are so thankful for our wonderful mothers and all they do.
They deserve more than one day of pampering! :)

Mr. LeMere

Wrapping things up in the week before camp and getting so well deserved recess in to blow off some steam! These fifth graders are spectacular!

Mrs. Gaedcke

Students have have learned so much about the Civil War Era and enjoyed creating their final presentations on important people who lived at this time.
