Dear Jardon/Webb Community,

As we reach the end of another meaningful year, we want to extend our deepest gratitude for your support, collaboration, and the trust you've placed in us. Watching your student grow into greater independence, confidence, and self-advocacy has been both inspiring and rewarding.

This year, our students made incredible strides—socially, in job skills, and in life skills. Whether mastering new routines, completing work based learning opportunities, navigating community experiences, or building workplace readiness, each success has been a testament to their hard work and your unwavering encouragement at home.

We are especially proud of those who graduated last night as they prepare to take the next steps into adulthood. Whether transitioning to supported employment, vocational services, or independent living, their journeys are uniquely important—and we celebrate each one.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Reflections

Friends,

As the school year comes to a close, it is a natural time to reflect on everything we have learned and experienced over the past 9 months. This includes our health, as it affects how well we participate in life activities - especially important for students!

Whether you are working toward a specific health goal or not, here are some questions that only you can thoughtfully, honestly answer:

- **How do I feel about my current state of health?** (This can include physical, mental, emotional, and spiritual health.)
- **What are some ways I am doing well in caring for my health?**
- **What are some challenges or barriers I may have faced in keeping myself healthy? How did I handle those?**
- **Are there any areas in which I need more knowledge and/or guidance?**
- **Who has supported me in my efforts to make and keep healthy habits? Do I need to add (or subtract!) anyone from my team?**
- **If I have a specific health goal, do I need to adjust it to be successful, or am I happy with the progress I am making? If I don't have a goal, would I consider creating one?**

As you reflect on your health journey, I encourage you to bring questions and concerns to your trusted healthcare providers, in order to receive the best information and advice pertaining to YOUR individual needs.

Wishing you the very best of health, happiness, and peace always!

Be well,

Nurse Stephanie

The food goes very quickly, so please come early to get in line. We cannot distribute items until the milk truck arrives and the setup is done.

Hazel Park Schools has partnered with Gleaners Community Food Bank to bring the School Mobile Food Pantry to our students and their families. ***Food distributions deliver 20-30 lbs of food, including milk, lean meats, fresh fruits, vegetables, and dry goods every month.***

Please line up in your car in the parking lot, going down Elza in front of the school. **Please do not block any driveways and be sure to line up along the curb to avoid blocking the road.** We appreciate your cooperation in this matter out of respect and safety for our neighbors.

Please have your Gleaners card ready when you arrive. If you are new to Gleaners and do not have a card, you will be asked to fill out a form with your information as well as information for those in your household.

Gleaner's information will be sent by email and voice messages as reminders when you sign up for communications through your children's school.

Sign up for communications may be done through your Parent Portal on PowerSchool or the school district website, www.hazelparkschools.org/parents/resources--quick-links, then click on Alert Sign up.

Contact your Community Representative to help your family with resources for things such as bill pay, eyeglasses, local food pantries, and other resources. We want to make sure that all the needs of our students are addressed to the best of our abilities.
