#### Friends,

As we celebrate National Nurses Week, I wanted to pause for a moment, in acknowledgement of the school nurses who inspired me not only to become one, but to continue learning and growing in pursuit of excellence!

*Nurse Pat* - For my first introduction to student care plans. Your military background taught me not only how to stand up for my students, but also when to "Stand Down"!

*Nurse Carolyn* - Sharing your keen observations on pre-seizure activity stuck with me - and serves as a valuable tool in my practice today.

*Nurse Juanita* - Eternally grateful for your unforgettable stories on head lice, and for guiding me through my first experiences with them in a school setting.

*Nurse Dawn* - Your gentle demeanor and example of building positive rapport with students and their families did not go unnoticed!

Deepest thanks to my fellow nurses (RN/LPN/CNA) here at HPSD who advocate tirelessly for our students, and for HP staff who support our mission to provide the care necessary for ALL students to be able to attend school, learn and grow safely. Keep up the amazing work!

Be well, Nurse Stephanie stephanie.fowler-eagan@myhpsd.org
