September 19th, 2025

Dear Jardon/Webb Community,

It's been a great week here at Jardon! Students have settled into their routines and are working hard each day. This week students who participate in Work-Based Learning were able to begin their first work rotation. It is so exciting to see students excited about their new opportunities.

Picture day is coming soon! All students will be photographed for their student identification cards regardless of whether you are purchasing a package or not. Jardon picture day is September 29, and Webb SXI picture day is October 1. Picture ordering information went home this week.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at <a href="mailto:heidi.kunz@myhpsd.org">heidi.kunz@myhpsd.org</a> or 248-658-5953, if you have any questions or concerns.

#### PARENTS AND GUARDIANS,

Up next - our "Medication Intake Forms" are now "MEDICATION INVENTORY FORMS"!

One Medication Inventory Form will be designated for <u>each medication</u> your student keeps at school.

\*This two-sided form specifies **which medication** and **how much** of it is being delivered (or returned). See the sample form following this page!\*

<u>If you bring your student's medications directly to school</u>, in person, an inventory form will be filled out at the time of drop-off or pick-up.

For those who send medication in with their students, the inventory form will be filled out and sent home for you to confirm and sign, and return the next school day.

Please take a moment to review the district's medication administration policy, which is summarized on this form, as well.

**THANK YOU** for partnering with us to keep our students safe!

Rotation 1 of work based learning is in full swing as we completed our first week on the job! A HUGE thank you to our job coaches that worked hard to make these job sites come to life. It is thanks to them that we are able to have so many meaningful sites throughout our district and in our community.

Here are some pictures of our workers with Chartwells at Webb and Hazel Park High School:

Please be sure to return any work based learning agreements ASAP (if you have not already done so) so that your student can participate in these opportunities. Work reports are sent home every 2 weeks, the first set of reports will be sent home next week from your student's caseload teacher. If you have any questions or concerns about work based learning, please reach out to me!
