March 10, 2025

Dear Hazel Park Advantage parents and students,

I hope this correspondence finds you and your family well. Please read this correspondence carefully and discuss it with your student. Should you need to discuss anything, please contact me at 248.658.5281 or email me at [kendal.smith@myhpsd.org](mailto:kendal.smith@myhpsd.org).

- **Cap and Gown Orders:** Parents of Seniors, please be certain that your future graduate orders their cap and gown asap. Please use this link to purchase your child's [Cap and Gown](#).
- **Trimester 3 Begins:** The third and final trimester of the school year begins on March 10, 2025. Please encourage your child to perform at her best as we end the school year. Regular contact with your child's educators is one of the tenets of student success.
- **Stellantis (Chrysler) School to Work Visit:** Hazel Park Schools has been fortunate to partner with Stellantis (Chrysler) for students to be exposed to the skilled trades. This two year program is an excellent opportunity for Advantage students. On Monday, March 10, 2025, all Advantage Sophomores will visit Stellantis. Please discuss this wonderful opportunity with your child, and encourage her to apply if interested.

- **Spirit Week:** Spirit Week is the week of March 17-March 21, 2025. Please see the flier at the end of this correspondence for more information.
- **Spring Break:** Spring Break begins on Friday, March 21, 2025. School will meet for a half day and will be dismissed at 11:15am. Please plan accordingly. School will resume on Monday, March 31, 2025 at 8am.

- **Oakland 80/Promise Zone Services:** Greetings Advantage Alternative School Students and Parents!  
The Hazel Park Promise Zone Team consists of Mr. Monge, Executive Director, Hazel Park Promise Zone and Ms. Allen, Oakland80 Career and Education High School Navigator.

Our goal is to assist students with establishing a plan and a strategy to achieve the plan post high school graduation. The Hazel Park Promise Zone team has been working with your students to complete their **Free Application for Federal Student Aid (FAFSA)** and expose students to various career, college and skilled trade opportunities. The FAFSA is a requirement for all students in order to receive any State, Federal and college level scholarships or other financial aid. It is also a requirement for some of the coursework for skilled trades and pre-apprentice programs.

Our team also assists students with:

- **College Admission Applications**
- **Scholarship Applications**
- **Career Exploration**
- **College Tours**
- **Employment**
- **Resume Assistance**
- **Interviewing Skills**

Our support for your students continues beyond graduation to ensure guidance is provided throughout the postsecondary experience to ensure successful goal completion. That's right! We are here for the duration and with our array of supportive networks and resources, our goal is nothing less than success for your student.

Parents, please continue to work with us as we assist your student with navigating the sometimes complex and tedious processes of starting their postsecondary endeavors. We are here to help.

We look forward to continuing to partner with you and your student.

Sincerely,

Your Hazel Park Promise Zone

***Mr. Monge, Executive Director, Hazel Park Promise Zone***

***Ms. Allen, Oakland 80 Career and Education High School Navigator***

- **Sex Education Advisory Board:** The Hazel Park School District is revitalizing the Sex Education Advisory Board whose job is to set goals and review the sex education instructional program/materials taught in our schools. This board meets to review curricular materials and discuss the impact of instruction as compared to the goals set for this work. Interested parents/guardians are invited to fill out [this interest form](#). You will be contacted for next steps as Board meeting dates/times are determined.

Thank you for your support of the Hazel Park Schools.

- **Illness Alert:** Whooping cough cases are on the rise, especially in southeast Michigan. Whooping Cough (Pertussis) is a respiratory illness that is easily spread by coughing and sneezing. The disease starts like the common cold, with runny nose or congestion, sneezing, and mild cough or fever. After 1-2 weeks, severe coughing begins. Use this [link](#) to visit the MDHHS website for additional information regarding whooping cough.

Pneumonia cases in the pediatric population are on the rise as well. Michigan normally experiences increases in pediatric patients presenting to emergency departments (ED) and urgent care centers (UCC) with pneumonia in the late summer and early fall. There has been a notable 4-fold increase in patients 5-19 years of age presenting with pneumonia from August 1, 2024 to October 16, 2024 compared to the same time period in 2023.

Michigan is also seeing an increase in ED and UCC visits with a diagnosis of *Mycoplasma pneumoniae* (walking pneumonia). These infections are more common in summer and early fall and there are usually peaks of disease identified every 3 to 7 years. After a prolonged period of low incidence during the COVID-19 pandemic, there has been a global re-emergence of walking pneumonia. In 2024, CDC received reports of increased *M. pneumoniae* infections, including infections in young children. Common symptoms of walking pneumonia include pharyngitis, tracheobronchitis, and pneumonia with symptoms that include cough, fever, headache, malaise, and mild dyspnea.

Please be sure to schedule a visit with your doctor if your student is experiencing any of the above symptoms listed.

- **Cell Phone Policy:** In order to prioritize the importance of academics, our new cell phone policy is that students **must** place their phones in the cell phone locker, in each class, prior to the start of class. Students may retrieve their phones when their teacher indicates that the lesson, for that class, has ended. This means that a cell phone should not be visible during instructional time at all. If a student is caught with their phone during class, the phone will be confiscated and returned to the student at the end of the day.

Students will have the opportunity to use their phones during hall passing and lunch without penalty.

We ask that you support the school with this policy by calling the school office if you need to contact your student during the school day. We appreciate your support as we educate your scholar!

- **Online Classes:** All high school students at Advantage will have some classes that need to be completed online. Unfortunately, there is not enough time in the school day for students to complete all of the work necessary to finish their classes. In order for your student to experience success, please encourage your student to work on the online classes at home. The website is Subject.com. If you want to check on your student's progress, please contact Mrs. Rodgers at (248) 854-7324 or me. Your support is essential to your child's success!

- **Breakfast/ Lunch:**

All students receive free meals at school each day. Breakfast is served from 7:30 - 8:00 a.m. at the school entrance. Lunch is provided in the cafeteria.

- **Chromebooks:**

Hazel Park is a 1:1 technology district. This means every HP student receives a technology device for use at school and at home provided the Chromebook agreement form is signed by a parent or guardian and the student. Chromebooks allow students access to online learning opportunities both in and out of the classroom. It is imperative that students bring their device and that it is fully charged each day.

- **Policy Reminders:** Personal Communication Devices (PCDs) include but are not limited to: **CELL PHONES**, computers, tablets, electronic readers, and/or other web-enabled devices of any type. Hazel Park Advantage staff reserves full discretion as to when students may use

PCDs. As a rule, when class begins, phones should be put in the cell phone locker provided in each class so learning is the primary focus.

**Closing thoughts**

The Advantage staff is delighted to educate your student this year! We look forward to a year filled with joy and happiness, rigorous academics, social emotional learning and support, and multitudinous celebrations. This process is much more effective when students, parents, and staff all collaborate to ensure the student's educational and lifelong success. With that in mind, I implore you to establish relationships with your child's teachers. Consistent communication between families and school employees helps foster positive outcomes for students. Please be well, take care of yourself and your families, and do not hesitate to contact me for anything.

Let's roll!
