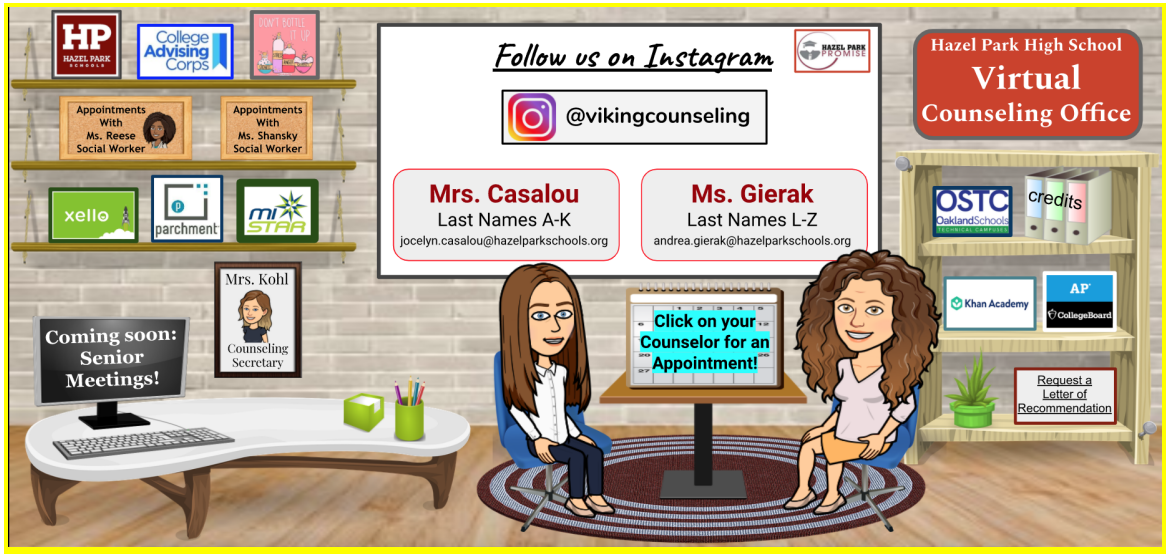
ATHLETIC DEPARTMENT NEWS

For all Hazel Park High School home athletic events, athletes may not arrive earlier than 30 minutes prior to the scheduled game time. (For example, for a 5:00 pm start time, team members may not enter the building until 4:30 pm; for a 7:00 pm scheduled game team members may not enter the building until 6:30 pm, even if there is a prior game). Once the game is over, it is expected that everyone vacates immediately. This includes all spectators, players, and game personnel. Members from JV teams may not stay for varsity games. Other things to keep in mind:

- Players must bring their own water. Bring larger amounts so they do not run out.
- Players are to come dressed to all home and away games. Locker rooms are not to be used to change in.

STUDENT SERVICES DEPARTMENT

Visit our HPHS Virtual Counseling Office! This is an office that students can use to access links to websites, resources, and documents that they typically find in our counseling office. Most importantly, students can click directly on their counselor's Bitmoji to schedule a virtual counseling appointment!



Important: Students who received "No Credit" (N/C) grades from **spring semester 2020** may need to complete work in order to receive a Pass (P). Students may contact counselors for assistance or guidance in communicating with teachers to complete this work.

Please let us know if you are having trouble reaching your child's teacher(s) or viewing their grades. Click on the link to access MiStar Parent Portal.

xello is the Career Exploration website for Hazel Park High School and VVA students. This month your students have been updating their EDPs (Education Development Plans). Xello is a great place for students to explore potential careers, colleges, majors, and more! Have your student(s) click here to continue the search: Xello Student

A note from Hazel Park School District:

Hello Parents,

This is to inform you that a second round is on the way for the Pandemic EBT Card. Please be aware that the only function of the school district is to provide the state with your current address. Please verify your current address on your parent portal. If your address is incorrect provide your building secretary with updated residency documents so that we can update the state file to ensure you receive your new card. If you have any questions please call our office.

Free online tutoring in a variety of subjects is available through **Khan Academy**. Students can create a free account using a personal email address (such as a Gmail). Visit https://www.khanacademy.org/ Khan Academy can be linked to your student's College Board account for truly valuable preparation for academic subject areas, Advanced Placement (AP) courses, and SAT/PSAT practice. Khan Academy is a resource used by many teachers to support learning in class as well.

COLLEGE AND CAREER ADVISING

Our College Adviser is Ms. Desiree Quinn. You can contact Ms. Quinn with questions about college admissions, trade school, or financial aid at desiree.quinn@hazelparkschools.org. Check out her Virtual Advising Office for updates and resources!

Fill out her parent survey for a chance to win a $25 Kroger Gift Card!

The Free Application for Federal Student Aid (FAFSA) is officially open! **YOU CAN STILL FILE THE FAFSA!!!**

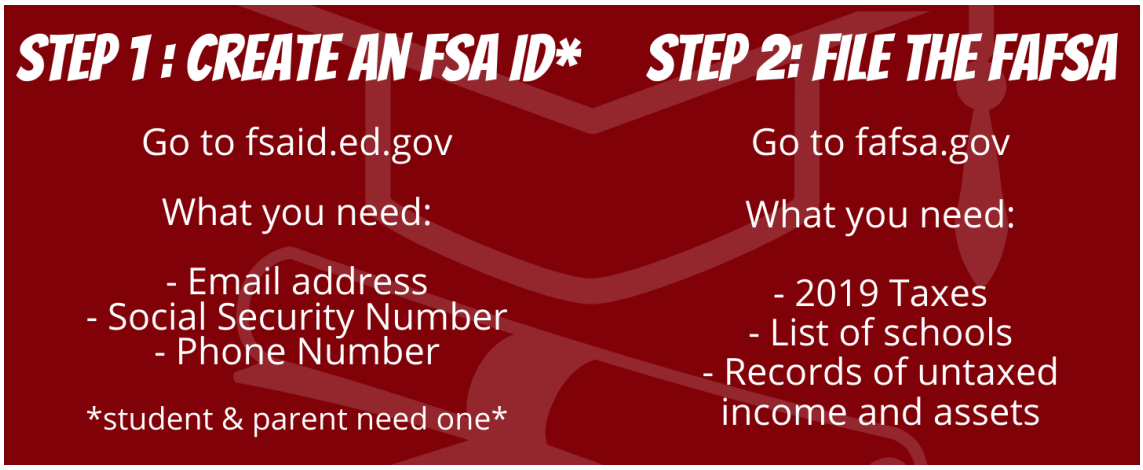
What is the FAFSA?

The FAFSA stands for the Free Application for Federal Student Aid. This application will allow your student to apply for federal student aid (aka FREE MONEY) and is required for almost every scholarship.

Do I still have to fill it out if my student does not plan on going to college?

YES! The FAFSA is required if your student plans on going to college. However, students who plan on going to trade school or aren't sure, still need to fill it out. Trade schools and cosmetology schools still cost money and the FAFSA will be able to help them with financial aid! Also, the FAFSA covers a whole school year. If they decide to go to trade school or take some classes later on in the year, having that FAFSA on file will allow them to get the maximum amount of aid. If you file it later, you will not get as much money!

HAZEL PARK SCHOOLS



If you need any help or have any questions, you can schedule an appointment with Ms. Quinn here. Although the priority deadline has passed, your student can still file the FAFSA and should do so ASAP!!!!

POSITIVE BEHAVIOR SUPPORTS AND INTERVENTIONS (PBIS)

Positive Behavioral Intervention and Supports (PBIS) is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. This district-wide approach to discipline focuses on building a safe and positive environment in which all students can learn. The foundation for PBIS at Hazel Park High School consists of five building-wide expectations. Our school environment values and teaches students to be:

Prepared **R**espectful **I**ntegrity **D**edicated **E**ngaged

The Viking PRIDE Building-Wide Behavior Expectations is a detailed behavior matrix describing expected behaviors in all areas inside and outside of the school building. The Viking PRIDE Matrix is posted in all areas of the building, including instructional and classroom areas, hallways/public areas/bathrooms, cafeteria and dining areas, and outdoor athletic facility. When we return to the building on March 1st, our PBIS matrix will be expanding to include safety expectations related to COVID-19 (hand washing, masking coverings, social distancing, etc.)

PBIS is rooted in the belief that positive behavioral skills should be taught as effectively as we teach academic skills. Expectations and appropriate ways to behave are consistently modeled and practiced throughout the school day. This year, we've added Advisory (20 minutes daily before class) as a way to continue to teach these behavior expectations and foster positive connections in the school community. Advisory helps to build positive student/teacher relationships, while also providing an opportunity to give students Social Emotional Learning (SEL) opportunities. Advisory monthly themes have included:

September: Get-to-know-you
October: Coping Skills (specifically non-tech based)
November: Gratitude
December: Self awareness
January: Growth Mindset
February: Empathy

Most Valuable Viking (MVV) is our acknowledgement system to celebrate and reward students for demonstrating Viking Pride expectations. Since November, we've received over 300 student nominations! Three winners from each grade are chosen weekly and are granted an academic reward that they can use in class towards an assignment extension or excusal. At the end of the marking period, we hold a raffle. This raffle pulls from all nominations that marking period so the more a student demonstrates PRIDE, the greater their chances of winning in the raffle. Winners are given a gift card of their choice to McDonalds, Subway, Tim Hortons, Taco Bell, or Little Caesars.

PROMISE ZONE

Our Hazel Park Promise Zone director is Mr. Brandon Gleaton. You can reach him at brandon.gleaton@hazelparkschools.org or visit the Promise Zone website for more information.

SENIOR CLASS

Updated Cap/Gown Information

Parents and Seniors

I just spoke to the representative from Balfour and he is highly concerned with the lack of cap/gown orders coming through. He also voiced his concern of the pandemic delaying supply orders, something he has been experiencing quite a bit as of late. With these concerns, we are asking if you can, please try to purchase your cap and gown before the end of this month (January 31st) to ensure proper delivery times. If there are any issues with this, please let me know via email (jared.nabozny@hazelparkschools.org) and we can try to work something out. Please also share this information with a fellow 12th grader to ensure that everyone has been notified of the change. The ordering information can be accessed using the website provided.
