

December 8th, 2023

Dear Jardon/Webb Community,

Today we wrapped up our Jardon Greenhouse and General Store Holiday Sale. This was a great opportunity to showcase what our students have been working on this school year at their job sites as well as their classroom microbusinesses. Hopefully you had the opportunity to visit! The store will continue to be open with our normal business hours but will have fewer holiday specific greenhouse items available.

Progress reports as well as final job reports are due today and will be mailed out to you via the U.S. Mail. Expect those next week. Please reach out to your student's caseload teacher if you have any questions or concerns.

Our second job rotation started this week! The students are off to a great start. For many students, the first few weeks of a new job rotation means learning the job duties and expectations. Safety procedures are also completed on the first day to make sure students are safe and know what to do in an emergency.

Please make sure to join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953 if you have any questions or concerns.

Thank you!

Heidi Kunz

Holiday Basket Food Drive

NOW - DECEMBER 13TH

It's that time of year again for our Annual Holiday Baskets! Each year Hazel Park School District makes Food Baskets for families in the community who are in need.

This year Jardon is responsible for potato products, this includes: Instant, Boxed, or Canned.

The class with the most potato products will receive a pizza party.

If you have any further questions please feel free to contact the front office at 248-658-5950

The food goes very quickly, so please come early to get in line. We cannot distribute items until the milk truck arrives and the setup is done.

Hazel Park Schools has partnered with Gleaners Community Food Bank to bring the School Mobile Food Pantry to our students and their families. ***Food distributions deliver 20-30 lbs of food, including milk, lean meats, fresh fruits, vegetables, and dry goods every month.***

Please line up in your car in the parking lot, going down Elza in front of the school. Please do not block any driveways. Food dates are explained from Gleaners on the back of this flyer.

A form MUST be filled out every time food is picked up with your full name and address. Food pick-ups can only be for YOUR family. We are sorry, but you cannot pick up food for friends that could not make it. The USDA and Gleaners set up these rules and regulations.

Gleaner's information will be sent by email and voice messages as reminders when you sign up for communications through your children's school.

Sign up for communications may be done through your Parent Portal on MiStar or the school district website, www.hazelparkschools.org/parents/resources--quick-links, then click on Alert Sign up.

Contact your Community Representative to help your family with resources for things such as bill pay, eyeglasses, local food pantries, and other resources. We want to make sure that all the needs of our students are addressed to the best of our abilities.
