## Hazel Park High School: Week in Preview

### NEW DROP OFF AND ENTRANCE PROCEDURE:

Dear High School Families:

As you are aware, in light of an incident at our high school, we recently made changes to our drop off and pick up procedures. We have only been allowing students, visitors and staff to enter through door #1, the front door, in the morning and throughout the day. Anyone entering has to go through metal detectors. Now that these changes have been in place for a few weeks, and after getting feedback from staff, students and parents, we are going to be making some adjustments to this procedure.

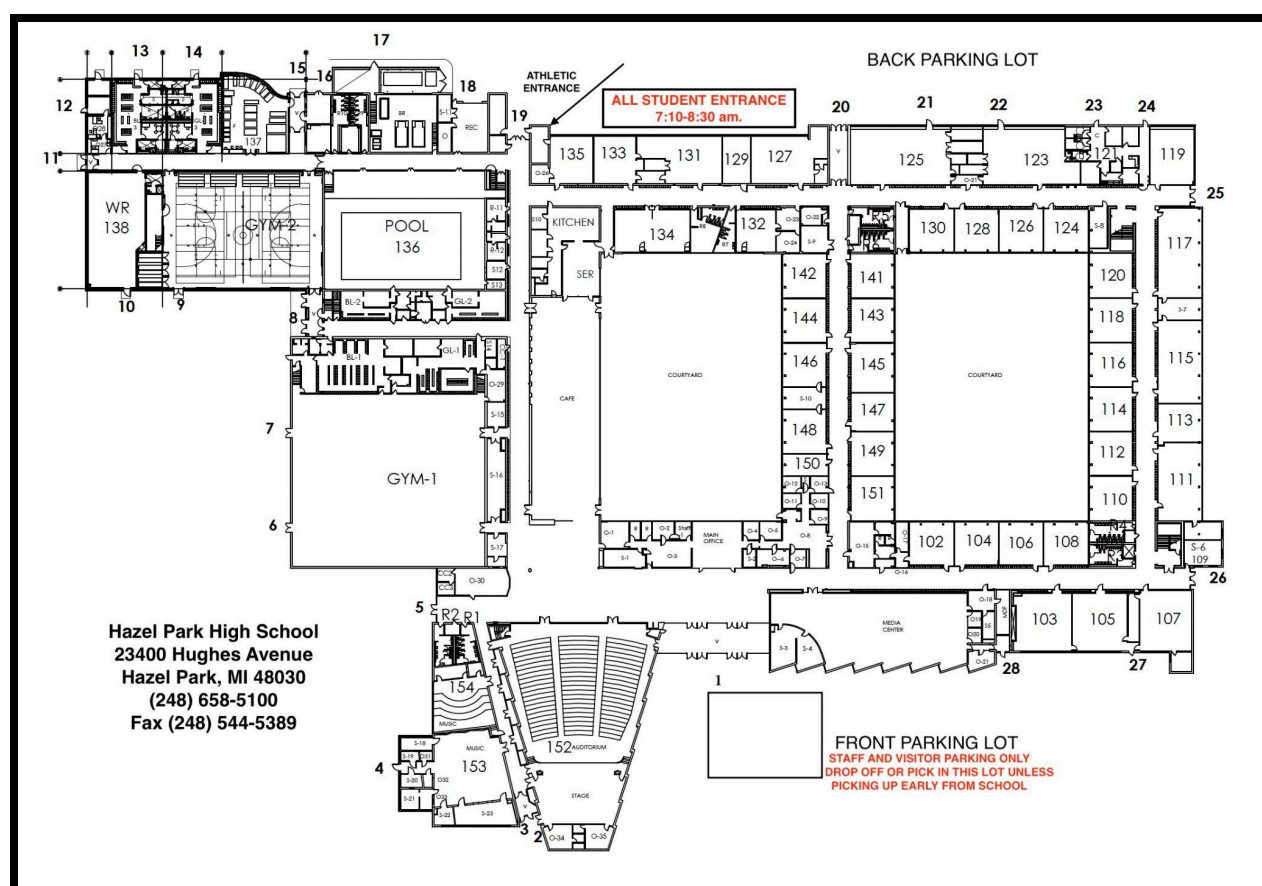

**We will no longer use the front door for morning drop offs. From 7:10 a.m. – 8:30 a.m. ALL STUDENTS MUST BE DROPPED OFF AT THE ATHLETIC DOORS (DOOR#19) LOCATED IN THE BACK OF THE BUILDING.** For the safety of everyone, please adhere to the one way entering and exiting into the back parking lot..

Our security staff will be there, greeting the students. Students will go through a metal detector when they arrive, and then be directed to the cafeteria, where breakfast will be available. Students will remain in the cafeteria until 7:30 a.m. when students will be released from the cafeteria and allowed to go to their lockers and classrooms in preparation to begin school promptly at 7:40 a.m.

**After 8:30 a.m.**, students being dropped off, parents picking up, or any visitor coming to our building will be able to use the front parking lot and enter through door #1. Everyone will still be required to go through a metal detector there before continuing into the school.

At the end of the day, students will still be allowed to exit any door. There is **NO PICKING UP** in the front parking at the end of the day. This lot will continue to be for staff and visitors parking only. We **STRONGLY** encourage picking up in the back lot where there is plenty of room and no chance of getting an impeding traffic ticket on the street.

We will continue to monitor and adjust as needed. As always, at the heart of all of our efforts is the safety of our students and families.

**TO SPEED UP THE ENTRANCE PROCESS, PLEASE CLEAN OUT YOUR BAGS AND ONLY BRING WHAT IS ABSOLUTELY NEEDED FOR SCHOOL.**

Please note, if you wear shoes or other items that have metal, you will be required to remove them before going through the metal detectors. These are the same procedures used at the airport.

## Things to put in the basket or on the tray before going through the metal detectors:

- Cell phones
- Computers
- Smart watches
- Batteries
- Inhalers
- Glass cases
- All chargers
- Cans of deodorant and body sprays
- Any beverage in a can
- Perfume bottles
- Hair picks with any metal

Michigan families, especially minors, are increasingly targeted by advertisements promoting alcohol, tobacco, pornography, illegal drugs, and gambling through email, text messages, and social media platforms like Instagram, Snapchat, YouTube, Discord, TikTok, Twitch, and Twitter/X. Thankfully, the **State of Michigan offers a free program** to help stop these adult advertisements from reaching children.

The **Michigan Child Protection Registry** is a **free do-not-contact service** that allows families to register their children's email addresses, phone numbers, and social media accounts to block these harmful messages. Signing up is quick and easy—just visit the [Hazel Park Community Coalition \(HPCC\) website](#) to enroll and enhance your family's online safety.

I encourage you to share this valuable resource with parents and guardians in your school community. Together, we can help create a safer digital environment for our children.

### Drop off and pick up reminder:

All students arriving must enter through the FRONT doors. The police have been and will continue to issue tickets for anyone impeding traffic by stopping their vehicle in the street to drop off or pick up a student.

If you are waiting to pick up a student at the end of the day we **STRONGLY** recommend that all pick ups are done in the back lot where there is plenty of room. IF you are picking up from the front, you **MUST PARK** in a parking spot to wait.

Students who are not staying for a school sponsored event such as homework help, after school clubs or members of any athletic team **MUST** leave school grounds right after school. Please make arrangements for your student to be picked up in a timely manner. **SCHOOL IS DISMISSED AT 2:40 P.M. and we have far too many students waiting for lengthy amounts of time to get picked up.**

There was communication from the district about issues with students “loitering” at the local Taco Bell. In Michigan, **loitering** is defined as standing or waiting around without a clear purpose in a public place. It can also include remaining in one place for an extended period of time. Loitering can be a crime in Michigan and can lead to a disorderly conduct charge, which is a misdemeanor. Penalties for a misdemeanor include: Up to \$500 fine, Up to 90 days in jail, Probation, and Community service. Please speak with your student about not loitering at Taco Bell or any public place. They may purchase food, eat and then are expected to leave the premises.

### **NO FOOD DELIVERIES AT SCHOOL**

Food delivery services such as Uber Eats, DoorDash, or GrubHub may **NOT** drop off food to the school for students. If a parent/guardian or other family member drops off food it will be kept in the front office until LUNCH. The person dropping off the food **MUST** show ID and match the name on PowerSchool as the parent/guardian in order for the student to pick up the food at lunch. **NO** food/drink will be delivered to students in classrooms as this is a disruption to the learning environment nor will students be allowed to leave class to retrieve dropped off food items.. If students are expecting food to be dropped off by a family member, it is the student's responsibility to check the front desk on their way to lunch. We provide a **FREE** lunch each day and if students choose not to eat the options offered here at school, that is their choice, however, we are not going to allow disruptions to interfere with learning. .

### **Student Chromebooks**

Please make sure your student has picked up his/her Chromebook and is bringing their Chromebook to school/class every day fully charged. Personal laptop devices are not permitted in school. If your student is in need of technical support, students can email [helpdesk@myhpsd.org](mailto:helpdesk@myhpsd.org)
