Parent and Student Information

Hazel Park Schools will once again be utilizing the online Back-to-School registration process for the 2025-26 school year. Each school year, Hazel Park Schools asks its families to re-enroll as well as update any of their students' personal information for the upcoming school year.

This process MUST be completed by August 1, 2025, for your student(s) to be scheduled into their classroom and begin the 2025-26 school year. If forms are not completed, the student(s) may not start school, even for a Hazel Park Schools returning student. The school calendar will be made available soon.

ENROLLMENT/REGISTRATION DIRECTIONS FOR CURRENTLY ENROLLED STUDENTS:

Please log in to your student's PowerSchool account. Once logged in, select the name of the student you are enrolling for the 2025-26 school year and click on the Forms link in the left navigation menu. Complete the enrollment forms. Documents do not need to be resubmitted. Please be sure that all forms are completed/submitted within one week of your initial submission.

If you do not have access to your parent account, please contact your student's building secretary.

ENROLLMENT/REGISTRATION DIRECTIONS FOR STUDENTS NEW TO HAZEL PARK SCHOOLS:

1. Go to the Hazel Park School District Website
2. Click on [Enrollment>Enroll Now](#)
3. Complete Pre-Enrollment at <https://hazelpark.powerschool.com>
 - You will receive a confirmation email with instructions for the next steps to complete the enrollment process.
 - To complete the enrollment process, you will need the following documents.
 - Parent identification.
 - Birth certificate for student(s).
 - Immunization record for student(s).
 - Guardianship or Custody legal documentation, if applicable.
 - Last report card.
 - Current vision screen and health appraisal for all incoming Kindergartners.
 - Signed Lease, Mortgage agreement, or Property Tax Statement.

- Current DTE or Consumers Energy bill.
- Discipline report for all schools of choice students from prior school/s for the past 2 years.

The enrollment office is open Monday through Friday from 8 am to 3:30 pm. During summer hours, which are July through August, the enrollment office is open Monday through Thursday from 8:30-12 pm and 1-3 pm. The offices will be CLOSED on July 4, 2025.

REGISTRATION EVENTS

On the last day of school, June 6, 2025, from 12 to 6 pm, we will host a “Kicking Off The 2025-26 School Year” event at the Ford Administration Building (1620 E. Elza) for ONLY currently enrolled Hazel Park School students returning in the fall. Come up and enroll your student(s) so we’re able to start placing them in classes, and also so you can just enjoy your summer without having to worry about enrollment.

We will also host three in-person Back-To-School AND New Enrollment registration nights at the Ford Administration Building. Those events will be held July 17 & 31, and Aug. 14, 2025, from 4 to 8 pm each night. The enrollment offices will be CLOSED those days to get ready for our in-person evening events.

If you have questions, call 1-248-658-5205 or visit our website -- [Hazel Park Schools](https://www.hazelparkschools.org) -- to start the Back-To-School registration process.

We are thankful for being able to serve your family once again in Hazel Park Schools.

Please feel free to contact our office -- 248.658.5205 -- with any questions or concerns you have regarding this process, or contact your building principal with any questions, as we are always here to serve you.

Counseling Updates

For the 25/26 school year the counselors will divide students into two groups:

Ms. Stewart (last names A-K) keaira.stewart@myhpsd.org

Mr. Winchester (last names L-Z) jason.winchester@myhpsd.org

Athletics Update

Please check the HPHS website and click athletics to see the athletic events happening each week. [Athletics - Departments - Hazel Park Schools](#)

**Students must have a physical dated April 15, 2025
or later to try out and to participate in any sport next school year.**

Hazel Park Coalition Update

The Hazel Park Community Coalition (HPCC) is a community-driven organization dedicated to preventing substance misuse, promoting mental health wellness, and fostering a healthier Hazel Park.

Check out these updates:

- **Tobacco Treatment Resource for Teens** – This free program for teens ages 14-17, offered through **Henry Ford Health**, is designed to support teens in quitting nicotine and vaping. It's a valuable resource for students and families seeking confidential, professional help. I've attached a brief overview for easy reference.
- **HPCC Volleyball Tournament Flyer** – We would love to encourage more students to join us for this **fun, substance-free event** happening on **Friday, March 28 from 4–6 PM in the auxiliary gym**. The flyer is attached for inclusion.

- **Free Narcan Training:** HPCC offers free Narcan training sessions for groups of 7+ to enhance community safety and awareness. To schedule a training, visit the [Service We Provide tab](#) on our website.

To learn more about HPCC, visit [our website](#) or follow us on Instagram [@hazelparkcommunitycoalition](#).

Tobacco Treatment Service for teens and adolescents

Henry Ford offers a Tobacco Treatment Service for Teens that is geared specifically for young people ages 14-17. This free program provides proven tools and support to help teens kick the habit for good.

- ✓ **How the program works** - Teens are referred to this FREE program by a pediatrician, parent, school program or athletic trainer.
- ✓ **Support** - A Henry Ford counselor recommends the best program to help the teen quit based on initial enrollment call. Counselors are available for support as needed throughout the program.
- ✓ **Follow up** - Once the teen enrolls in the program, counselors follow up in one month to assess success.

To learn more, email tobaccofree@hfhs.org or call 888.427.7587.

Fact: Vaping contains nicotine, which can harm brain development, damage lungs and lead to addiction

Fact: Vaping can harm the immune system, making fighting off sickness more difficult

Fact: Vaping is unregulated so there is no way to know what chemicals are going into your body
