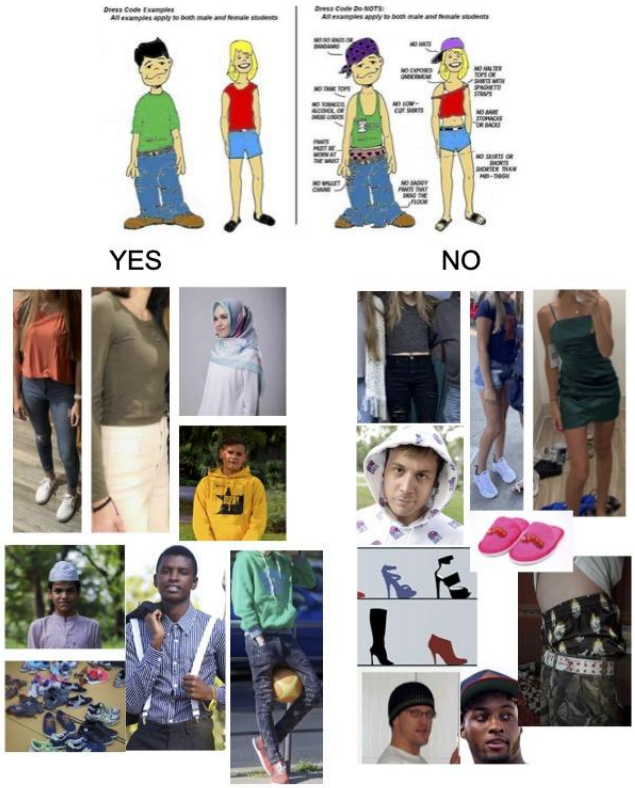
All students have been issued a school combination lock if they did not bring their own lock. A $10 fine was issued but will be removed when the lock is replaced with a personal lock or at the end of the school year.
Wallets or small handbags must be no larger than 4X6 inches. There is a basket at the front desk to check the size if needed.



Dress code parameters:

●No obscene or vulgar words or images (this includes no drug and/or alcohol images and/or words)

●No hats, bandanas, or head coverings (with the exception of religious items)●Shorts/skirts 5" from top of knee

●No bare midriffs

●Strapless, backless, spaghetti straps, tank or halter tops are not allowed unless covered by a sweater, shirt or jacket.

●No see through, low cut or revealing clothing is allowed.

●No bedroom slippers or pajamas

●No Gang-related apparel

●No overly-suggestive or violent clothing or clothing advertising alcohol, tobacco and/or marijuana.

Drop off and pick up reminder:

We strongly recommend students not arriving until 7:30 a.m. or later be dropped off in the back lot between the athletic entrance and the tennis courts. Students arriving between 7:10 and 7:30 a.m. for breakfast must enter through the front doors but students cannot be dropped off in the street. The police have been and will continue to issue tickets for anyone impeding traffic by stopping their vehicle in the street to drop off or pick up a student.

If you are waiting to pick up a student at the end of the day we STRONGLY recommend that all pick ups are done in the back lot where there is plenty of room. IF you are picking up from the front, you MUST PARK in a parking spot to wait.

Students who are not staying for a school sponsored event such as homework help, after school clubs or members of any athletic team MUST leave school grounds right after school. Please make arrangements for your student to be picked up in a timely manner. **SCHOOL IS DISMISSED AT 2:40 P.M. and we have far too many students waiting for lengthy amounts of time to get picked up.**

NO FOOD DELIVERIES AT SCHOOL

Food delivery services such as Uber Eats, Door Dash, or Grub Hub may **NOT** drop off food to the school for students. If a parent/guardian or other family member drops off food it will be kept at the security desk until LUNCH. NO food/drink will be delivered to students in classrooms as this is a disruption to the learning environment. If students are expecting food to be dropped off by a family member, it is the student's responsibility to check the front desk on their way to lunch. We provide a FREE lunch each day and if students choose not to eat the options offered here at school, that is their choice, however, we are not going to allow disruptions to interfere with learning.

Student Chromebooks

Please make sure your student has picked up his/her Chromebook and is bringing their Chromebook to school/class every day fully charged. Personal laptop devices are not permitted in school. If your student is in need of technical support, students can email helpdesk@hazelparkschools.org

WE NEED ADULT VOLUNTEERS TO CHAPERONE! Please contact Kris Herron via email chloebrendan@gmail.com Background checks will be required.

CPR GRADUATION REQUIREMENT It is the student's responsibility to complete and adhere to each of the steps below, as necessary.
On March 29, 2017, government officials here in Michigan passed Senate Bill 0647. The bill requires that all graduating students of a public, charter, or private school in Michigan be CPR

trained prior to graduation. Some of you may have met this requirement already through the Health class you took. To check, go to your MISTAR account and look for the GradReq section. If the CPR AED Training section has 1.0000 under the "Actual" column, you have already met the mandated requirement. If the CPR AED Training section has 0.0000, then you must complete the CPR Training course. If you already have CPR certification from another source, please email a copy of the documentation to Sarah Vanatta, Athletic Secretary. Sarah.vanatta@hazelparkschools.org

Here are the steps involved in taking and completing the CPR online course:

1. Go to the following website: www.studentcpr.com
2. Click on "BEGIN NOW"
3. Fill in your name & email address
4. Create a username & password
5. Enter the Class Code: **SCH-412-80-847**
6. Click *BEGIN* (the class is about an hour long to complete)
7. Start Course, watch all videos, and answer all questions after each section.

Once you have completed all sections, you MUST take and pass the final exam with at least 80%. If you do not score 80% or higher, you will need to retake the course. When you have completed the final exam, we will get a notification that you have finished the class. You **DO NOT** have to email us that you are finished.

Local Scholarships for Seniors: APPLICATIONS ARE NOW AVAILABLE! Graduating seniors can pick up their application packet from Mrs. Kohl in the main office. Completed applications are due on Friday, April 29th.
