February 5, 2025

Dear Hazel Park Families,

Due to the weather forecast calling for extremely icy road conditions when classes are to begin, Hazel Park Schools will be **CLOSED** on Thursday, Feb. 6, 2025, for **ALL** students and staff.

However, since the weather conditions are supposed to improve by late morning, **ALL** athletic and after-school events will go on as planned.

Classes will resume on Friday, Feb. 7, 2025.

We will continue to make decisions regarding snow/ice/cold days based on ensuring the safety of all students, families, and employees during the winter months.

We know that weather conditions change rapidly, so Hazel Park Schools will always attempt to reach a decision as soon as possible so all of our families and staff members can make proper arrangements. We appreciate your cooperation and will inform everyone of school closings as soon as possible.

Hazel Park Schools understands that the decision to remain open or to close due to poor weather has a big impact on our families. We also recognize that our students are best served academically and socially by being in school and that closures often are the cause of significant hardship for families forced to make last-minute childcare arrangements.

**(Not sure if there's a certain way you sign off on your letters),**

Catherine Cost, Ed.D  
Interim Superintendent  
Hazel Park Schools
