Dearest Hoover Families,

Well it looks as if we are approaching the end of this torturous pandemic! Week by week recommendations and restrictions are slowly being lifted! Please be advised however, that Hazel Park Schools has not lifted any of the current restrictions. Students and adults are required to wear masks on school property. We hope that our wonderful families will continue supporting these safety efforts. We know it's a challenge, but we can do for the next two weeks!

With students in mind,
Debra Dimas
Principal, Hoover Elementary

Socially Distance Field Day - June 8

Next Tuesday, June 8 we will be holding a socially distanced field day! Students will travel with their classroom to seven different socially distanced activity stations! Please keep on the weather so that your student is comfortable dressed. We are excited about this event!

5th Grade Clap Out

It's hard to believe that our fifth graders will be moving on up to Hazel Park Junior High. We plan on sending them out with a bang! Fifth grade families will participate in a short car parade

around the school where. the rest of the students and staff will be waiting on the sidewalk around the school. The car parade and clap out will begin a few minutes after 10:00 am. We will not be allowing cars into our parking lot until 10:40 that Friday morning. Notes with specific details were sent home with students.

Kindergarten Celebration

Our kindergarten classrooms will also be celebrating on Thursday, June 10 @ 10:00. The teachers have planned a virtual celebration which includes parents. Detailed communication will be sent home with our kindergarten students.

K-3 Hoover Summer School

If you have expressed interest in your Kindergarten, first, second or third grade student to enroll in the Hoover Summer school you should have received an informational email which includes two links to enroll. Please register as soon as possible so we are able to begin rostering students. If you have any questions or concerns, please don't hesitate to email me or call the Hoover office.

Hoover PTA

It's time to secure a new PTA Board for our 2021-2022 school year. The PTA is an important community organization whose mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. The PTA provides our students with additional learning opportunities and family fun nights. If you are interested in a leadership position on the Hoover PTA please contact Mrs. Dimas at the Hoover office.

Hazel Park Student Handbook

Please find the 2020-2021 Student Handbook by clicking this link: 2020-2021 HP STUDENT HANDBOOK. There are revisions from last school year as new safety protocols have been put into place.
