Dear Families,

We understand the shut-down of schools came quite suddenly and that many students may have left personal belongings in their hall lockers, band lockers and/or gym lockers.

We would like to give families an opportunity to collect those items. We have created a detailed procedure which will be explicitly followed and closely monitored in order to stay compliant with Governor Whitmer’s executive order.

Please note the following safety precautions will be in place to ensure the continued good health of our families.

- Only one ADULT member of the family will be allowed to enter the building and pick up the items for all students in their home.
- We are allowing no more than 4 family representatives at a time in the building and you must sign up for a time using the links below.
- Gloves and masks will be worn by the adult entering the building. If you have these items, we are asking that you bring them with you.
- We will tape off designated standing areas to ensure proper social distancing.
- NO CHILDREN of any age will be allowed in the building with the adult.

It is critical that we adhere to these guidelines in order to keep our community safe. Also, it is critical families arrive during their chosen designated time slot, as we are allowing only four adults in the building at one time. In order to be fair, we will not be able to allow entry if you have missed your designated time slot.

Thank you so much for your support during this very trying time. If you have any concerns or questions please don’t hesitate to call the school at (248) 658-2300.

Wed., April 22 sign up: https://forms.gle/vxm8QpF3w9LraevLA
Thurs., April 23 sign up: https://forms.gle/yTqtPVwiAoXEVaKf8
