## Parent Newsletter

### From The Principal

March 10th, 2023

Dear Jardon/Webb Community

We had a great week starting out our third work rotation. The first week is spent reviewing job procedures and becoming familiar with new processes. Each week students become more familiar and comfortable in their routines. Our job coaches do an amazing job giving the needed level of support that each individual student needs to be successful on the job.

Our students continue to have classroom learning each day, as well, to help develop independent living skills, social skills, and recreational/exercise activities. We also have weekly community based instruction opportunities and Far Therapy. Let's just say that our students are kept pretty busy all day long!

It looks like Winter isn't quite done with us. Stay safe out there today! Remember to Spring forward this weekend! This must mean that Spring will be here soon, right?

Please make sure to join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon!

Please feel free to contact me at [heidi.kunz@myhpsd.org](mailto:heidi.kunz@myhpsd.org) or 248-658-5953 if you have any questions or concerns.

Thank you!

*Heidi Kunz*

## **From the Transition Coordinator: Mrs. Barshaw**

This week we began our final rotation for the school year. Students have been placed in the worksites they have either asked for or were suggested by their caseload teachers. We are pleased with the growth our students have been making at work. The following are the worksites students are attending:

Yad Ezra Food Bank  
Park Place Senior Living  
Meijer  
Kroger  
Chartwells Food Service  
Hazel Park School Board Offices  
Table 28 at the Detroit Zoo  
Garden Fresh  
Jardon Greenhouse  
Jardon General Store  
Jardon Textiles  
Jardon Cardmaking  
Jardon Custodial  
Jardon Clerical  
PAES Lab

We are thankful for the community partners that allow our students to learn the soft skills necessary for entry level employment. We are also thankful for our job coaches who work diligently to help students become successful employees.

We look forward to a successful Rotation 3.
