Dear Jardon/Webb Community,

Today marks the end of our second job rotation and marking period at Jardon. You should expect to get Individualized Educational Plan Progress Notes for your student as well as final work reports and evaluations. These will be sent out in the U.S. Mail starting on Wednesday, March 13. Our Webb Center Program students follow the Webb Educational Calendar and will not have report cards until April 16. We are excited to begin our third, and final, card marking of the year. Each new rotation provides new experiences for students in that they may have a new schedule, a new job site, and perhaps, a new job coach. These experiences, paired with our in house learning opportunities, are preparing our students for future success at their individual levels of independence.

The photos below show our MoCI Community Based Instruction trip to the YMCA as well as our ASD Community Based Instruction trip to the Hazel Park High School Gym. Recreation and exercise are an important part of a healthy lifestyle. Our students were given a tour of the YMCA and had the opportunity to test out some of the equipment. At the High School, students were able to play basketball and walk some laps on the outdoor track.

Please make sure to join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you!

Heidi Kunz

News From Nurse Stephanie

Friendly Reminder - Prescription Medication Requirements

Hello Jardon Families!

To safely administer prescription medications at school, EACH medication needs:

- A completely filled-in School Medication Administration Form, signed by both the prescriber AND parent/guardian ([printable forms can be found here: https://www.hazelparkschools.org/departments/health-services/](https://www.hazelparkschools.org/departments/health-services/) ; scroll down and click on the section “HPS Medical Plan Forms”)
- Medication must be in the original packaging / pharmacy container, with the pharmacy label stating student’s name, medication name, dose, route, frequency, prescriber’s name and contact information. The information on the pharmacy label MUST match the information on the Medication Administration Form.

** Tip! - for medications that have regular refills: ask the pharmacy to provide a duplicate bottle/package, with every refill, for school. This keeps the labeling consistent between home and school!*

- Medications must not be expired; past the expiration date, they cannot be given.
- First dose of any new medication must be given at home. This allows for any adverse reactions to be noted and followed up on with the prescriber.

Over-the-counter (OTC) medications also require a signed Medication Administration Form and have their own set of guidelines, which are found on the 2nd page of the Medication Administration Form. Hope this is helpful! Any questions, please feel free to reach out!

Best,

Nurse Stephanie

The food goes very quickly, so please come early to get in line. We cannot distribute items until the milk truck arrives and the setup is done.

Hazel Park Schools has partnered with Gleaners Community Food Bank to bring the School Mobile Food Pantry to our students and their families. ***Food distributions deliver 20-30 lbs of food, including milk, lean meats, fresh fruits, vegetables, and dry goods every month.***

Please line up in your car in the parking lot, going down Elza in front of the school. Please do not block any driveways. Food dates are explained from Gleaners on the back of this flyer.

A form MUST be filled out every time food is picked up with your full name and address. Food pick-ups can only be for YOUR family. We are sorry, but you cannot pick up food for friends that could not make it. The USDA and Gleaners set up these rules and regulations.

Gleaner's information will be sent by email and voice messages as reminders when you sign up for communications through your children's school.

Sign up for communications may be done through your Parent Portal on MiStar or the school district website, www.hazelparkschools.org/parents/resources--quick-links, then click on Alert Sign up.

Contact your Community Representative to help your family with resources for things such as bill pay, eyeglasses, local food pantries, and other resources. We want to make sure that all the needs of our students are addressed to the best of our abilities.
