Dear Jardon/Webb Community,

It's been an exciting week at Jardon. Students have been participating in classroom based learning as well as work based learning. Our adult students have many opportunities throughout the week to learn about navigating their communities, communication, leisure, employability, and home living skills utilizing our Unique Learning System curriculum as well as community based instruction opportunities, the PAES Lab, and a simulated apartment.

Our SXI program at the lower and middle level utilize SDI math as well as Readtopia Go as a curriculum guide to learn needed skills. They also focus on self care and skills needed to develop independence in daily living. We have an amazing team of ancillary support staff that work closely with our students to help them grow.

If your student is currently participating in work based learning they should bring home a work report today that covers their last two weeks of work. Please review these with your student to help encourage growth. If you have any questions or are not getting these reports, please feel free to reach out to the caseload teacher.

Miracle Miles was voted the district Student of the Month for Jardon in October and will be honored at the November 17th Board Meeting at 6:00 p.m. Please plan to come support her! Some of our Student Council members will also be presenting at the same Board Meeting so it would be great to see families and peers there to support.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Mr. Miller

Jeremiah Mitchell

Jeremiah consistently demonstrates a strong commitment to applying the lessons taught in class. For example, during our session on "Dressing for an Interview," he thoughtfully selected a patterned shirt paired with khaki pants-exactly as outlined in the lesson. Jeremiah not only absorbs the concepts presented but also implements Mr. Baber's teachings with attention to detail and professionalism, serving as a model student for his peers.

Mr. Baber

Logan Wayne

Logan has had a great month of October! He is taking more responsibility in the classroom by taking all the students lunch orders and calling them to the office. He has made new friends and off to a great start to the school year.

Ms. Cox

Working well with peers at jobsite.

Mrs. Springsteen

Hayong Shin

Hayong is a polite and happy young man who enjoys helping peers and staff. Hayong enjoys building Legos and Perler Beads and he also enjoys participating in all of the fun activities offered here at Jordan.

It's that time of year again for our annual holiday baskets. Each year Hazel Park School District makes food baskets for families in the community who are in need.

This year, Jardon is responsible for potato products. This includes: Instant, Boxed, or Canned. We will be collecting these products now until December 11th.

The class with the most potato products will receive a pizza party.

How Much Do You Know About the Skin You're In?

November is “National Healthy Skin Month”! Our skin, part of the ***integumentary system*** (which includes our skin, hair, and nails), is a first-line defense from pathogens in the outside world. It also plays a role in maintaining body temperature and fluid balance, allows us to feel and sense our surroundings, and helps shield us from the sun’s radiation.

Our skin is actually made up of 3 layers: the **dermis**, or top layer; the **epidermis**, containing sweat glands and nerve endings, and the **hypodermis**, where blood vessels, fat, and connective tissue are located.

Our skin requires special consideration and care in order to serve us well into our lifetime. Check out the **American Academy of Dermatology Association’s website** for lots of great information and tips for caring for our skin at any age!
