

JARDON VOCATIONAL SCHOOL PARENT NEWSLETTER FROM THE PRINCIPAL

October 10th, 2025

Dear Jardon/Webb Community,

Students have an extra day off this weekend! There is no school on Monday, October 13, to allow teachers to participate in professional development.

Work reports should be coming home with your students today if they are participating in work-based-learning. Please review these reports with your student and discuss their progress.

Jardon students were able to participate in a Farmer's Market sponsored by Chartwells this week. They had the opportunity to take some fresh produce home from the market to enjoy with their families. Some of our students also helped elementary students as they moved around to the different stations.

Please remind students to dress in layers this time of year. Our building is quite cool in the morning but warms up later in the afternoon.

Our first Fun Night of the year is coming up! Make sure you RSVP for our Jardon Spooktacular by October 24th. Students can attend Fun Night in costume but please keep costumes school appropriate. No costumes will be worn on our half day of school, October 31.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Happy Fall Families!

This school year, we have added the Hazel Park District Library to our list of job sites. Our students work hard to keep the books organized, clean and check the inventory for the STEAM and reading kits, and keep the children's area clean and organized. Thank you to the library for being so welcoming! Great job to our students and job coaches for representing the great work Jardon students do!

Greenhouse Spotlight: Our student workers from the greenhouse had the opportunity to support the amazing Farmer's Market event on October 9th. Our student workers assisted elementary students with planting basil seeds to take home. It was awesome to see them shine in a leadership role!

NEWS FROM NURSE STEPHANIE

Join the Teal Pumpkin Project!

1 out of 13 children have food allergies, which can cause life-threatening allergic reactions. Food allergies are a disease, not a diet.
Will you help bring magic to their Halloween?

Joining the Teal Pumpkin Project is as easy as turning a pumpkin from orange to teal. *(Good news: It's actually much easier than that.)*

What If You Couldn't?

What if you had a food allergy, and your body's immune system overreacts to what should be a harmless food protein?
A reaction can be as bad as life-threatening anaphylaxis.

Every 10 seconds in the U.S., food allergies send a patient to the emergency room.

Nearly any food can trigger an allergic reaction. The "top 9" most common allergens includes several foods that regularly appear as ingredients in candy.

Some kids and their families don't feel comfortable trick-or-treating, because the risk of being exposed to an allergen is just too high.

But...

What If You Could?

When you offer non-food treats, more children get to enjoy Halloween without fear!

Ideas for Non-Food Treats

- Mini notebooks
- Playing cards
- Stickers
- Fidget toys
- Mini puzzles
- Glow sticks
- Pencils and pens
- Bubbles
- Bouncy balls
- Spider rings
