

JARDON VOCATIONAL SCHOOL
PARENT NEWSLETTER
FROM THE PRINCIPAL

September 5th, 2025

Dear Jardon/Webb Community,

It was so nice to see many of you last night at our "Meet the Teacher" night. The parent-school partnership is so important in helping our students grow. Please always feel free to reach out to your student's teacher if you have questions and/or concerns.

Far Therapy started for students this week. Our program participates in Yoga, Music, Art, and Recreational therapy. We are pleased to be able to provide these therapeutic programs for our students.

Students and staff are preparing for job sites to begin on September 15. Work contracts were sent home for those individuals who will be participating in our Work-Based Learning program.

As we enter into our third week of school we continue to work on familiarizing students with daily schedules and procedures as well as adjusting to new classrooms and staff. We are looking forward to a great year!

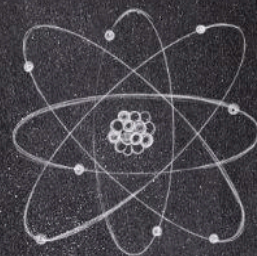

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

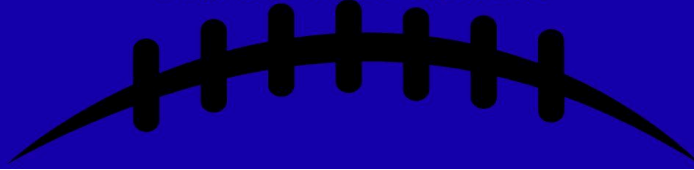

Heidi Kunz

NEWS FROM NURSE STEPHANIE

Welcome back, Jardon students and families! And an **EXTRA BIG** welcome to our new students and families! I hope summer treated you well, and you are ready to hop back into new adventures in learning.

Here are a few reminders to get 2025-26 off to a great start!

1) School nurses can freely provide **4 things**:

- ★ Soap
- ★ Water
- ★ Bandages
- ★ Ice

Everything else requires a physician's prescription!

Why is this?

2) Schools are **DRUG-FREE zones**.

In order to safely give your child any kind of medication, we must have **clearly documented permission** from both the prescriber AND the parent/guardian.

Permission is granted through:

Medication Authorization Forms:

<https://acrobat.adobe.com/id/urn:aaid:sc:US:ffda4a4b-f8e2-4dfb-8797-30fc9291b247?viewer%21megaVerb=group-discover>

and/or specific **Medical Action Plan Forms**, such as:

➤ **Asthma Action Plan:**

<https://acrobat.adobe.com/id/urn:aaid:sc:us:9838e2e5-e4a3-43b8-bf56-b9412be3b9c6?viewer%21megaVerb=group-discover>

➤ **Seizure Action Plan:**

<https://acrobat.adobe.com/link/track?uri=urn%3Aaaid%3Aasc%3AUS%3Aab227da3-1226-4745-97f9-f676ffd6848d&viewer%21megaVerb=group-discover>

➤ **Diabetes Medical Management Plan:**

<https://acrobat.adobe.com/link/track?uri=urn%3Aaaid%3Aacds%3AUS%3Ad5d92baf-1bf5-32ed-9c82-50822b84f058>

➤ **Allergy Action Plan:**

3) Without permission, and the properly labeled medications brought to school, we *CANNOT ADMINISTER* them - this includes **over-the-counter remedies** and **emergency medications**.

So, what happens if your student doesn't have the needed permissions/action plans/properly documented medications?

- ❖ For **minor complaints**, such as a headache or cough, this could be a **phone call to notify the parent/guardian**.
- ❖ For more **severe situations**, such as a seizure, asthma flare-up, allergic reaction, or hyperglycemic/hypoglycemic episode, this could be a **911 call first**, followed by a **phone call to notify the parent/guardian**.

Your child's safety and well-being are our priority!

Questions, concerns? Please reach out. I am here for you!

JUST FROM JESSI TRANSITION COORDINATOR

Welcome Back!

I hope you had a happy and healthy summer break! Our staff and students are ready to get back into the swing of things as we prepare to start our job sites.

If your student has a Work Based Learning (WBL) placement: Work Based Learning contracts should have come home with your student this week, so please sign and send those back ASAP. We are planning to start sending students to job sites the week of September 15th.

It is important to remember that we represent Jardon and Hazel Park School District while at our job sites. Now is a good time to remind students what being “work ready” means, this starts with hygiene checks in the mornings.

If you have any questions or concerns regarding Work Based Learning and/or your student’s WBL Contract, please reach out to me so I can best support you.

Resource Feature:

MiABLE (Michigan Achieving a Better Life Experience) enables individuals with disabilities and their families to save for expenses while maintaining their eligibility for crucial government benefits like Medicaid and SSI. This tax-advantaged savings program offers both flexibility and independence – benefits that could transform the financial future of many in your community.

You, your colleagues, people with disabilities and their loved ones are invited to an upcoming event that MiABLE is partnering with Oakland Community Health Network at the end of September!

This session will feature:

- A powerful testimonial from a current MiABLE account owner
- Insights from our host partner, Oakland Community Health Network
- Presentation by MiABLE's Program Director, Scott de Varona. Scott will cover what MiABLE is and how simple it is to set up an account
- Hands-on assistance: Computers will be available afterwards for anyone ready to open an account
