September 1, 2025

Dear Hazel Park Families,

We regret to inform you of another tragic incident that has occurred within our Hazel Park Schools community. Earlier on Monday, a student and his mother tragically lost their lives.

The family is in our thoughts, prayers, and support during this incredibly difficult time.

We will also have a mental health professional on-site if your child would like to meet with them. If you have any specific concerns regarding your student or how you should help your student at home, please call 248.648.2302.

We will be sharing information on how our community can offer assistance to both families in the coming days.

Please take a moment to hug your children and remind them how much they are loved. Encourage them to be especially compassionate and supportive of their classmates, as you never know what someone else is going through.

Our school counselors and support staff are available to any student who may need someone to talk to, whether they are personally affected by these events or are struggling to process them. We have also compiled a list to connect with other professionals who are trained to handle any kind of emotional distress.
