From the Principal

Dear Webb Families,

With the holidays and cold weather approaching we wanted to remind you of a couple of things. If your child(ren) is/are in need of boots or coats, please let us know in the office. We have had some donations and have some of these items on hand. Also, if you or a family you know are in need, we also have other organizations that reach out to provide holiday support. Please let us know in the office and we can nominate a family in need. We also offer Hazel Park Holiday Baskets for families in need who live in Hazel Park. Applications for this are in the office and are due back by December 1st. We would be happy to help any of our Webb families in need throughout the holiday season.

This newsletter will be the only newsletter for the next two weeks. I will resend this same newsletter next week but there won't be any new information. The next new newsletter will be the week of December 4th. If you have any questions or concerns, please feel free to reach out to me via email; corri.nastasi@myhpsd.org or by phone; 248-658-5900.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Bagels

Every Tuesday is bagel day at Webb. Students and staff can buy bagels for \$1 each. The flavors offered are cinnamon raisin, plain, salt & onion.

Webb Spiritwear

Thanks to all who ordered spiritwear. It will be delivered to school in the next few weeks and we will send it home with students. If you prefer not to have it go home with your student(s), please give us a call in the office and we can hold it there for you.

Family Survey

We are hoping that you will take a few minutes to take our family survey. This information greatly helps us to make decisions about our school. The last day for this survey is November 22nd. Please help us out by taking this survey. Here is the link:

Congratulations - 1st Quarter Perfect Attendance

Congratulations to our students and families who were able to have perfect attendance for the first quarter of the school year. These students were awarded with a bagel breakfast provided by New York Bagel. We know this takes effort on the part of the students and the families. Thank you for all you do to make school a priority:

Holiday Concert K-2

The Holiday concert is upon us and we wanted to give you a heads up. Traditionally students show up to the concert with extra holiday bling! This year we have a suggestion ...

Each grade level has a theme.

- Keep your eyes out for "Santa" bling if you have a Young 5 or Kindergarten student.
- Reindeer antlers will be a nice touch for the First Graders
- "Elf" bling is ideal for Second Graders!

Save the date and put it in your calendars! We look forward to seeing you all December 14.

-K-2 Webb Staff

Holiday Baskets

We will again be collecting donations for Holiday Baskets at Webb. There is a district-wide effort to collect food for those in need. At Webb we will be collecting non-perishable potatoes - mashed, scalloped, etc. All donations can be sent in with your child to school. The winning classroom will receive a pizza party so be sure your child takes the items to the classroom to be counted first. If you are or know someone in need, applications to receive a holiday basket will be available in the school office starting October 30th. At this time, holiday baskets are only given to those families that live within the school district, but out of district families can inquire about help as there are other resources in the community that we can connect you with.

Vision & Hearing Screening

Over the next few weeks Oakland County will be providing vision and hearing screenings for the students at Webb. During the week of 11/27-12/1 students in grades 1, 3 & 5 will receive vision screening and during the week of 12/5-12/8 students in grades Kindergarten, 2 and 4 will receive hearing screening. Please see the flyer below regarding these screenings.

HEARING & VISION SCREENING

What Schools Should Know

What is the Hearing & Vision Screening Program?

Michigan law (The Public Health Code 368 of 1978) requires Oakland County Health Division (OCHD) to provide no cost hearing and vision screenings to preschool and school-age children.

Screenings occur in most Oakland County public, private, and charter schools, preschools and at Health Division office locations by appointment. The program is done in 3 steps over the course of a child's school years:

1. Screenings before kindergarten entry.
2. Screenings in select grades up to 9th grade.
3. As needed, medical referrals for children not passing the screening.

OCHD Public Health Technicians help identify potential concerns related to a child's ear or eye health. They are not doctors and do not diagnose conditions or prescribe treatment. Technicians complete a Michigan Department of Community Health & Human Services Technician Training Course and receive continuous training.

Screening Requirements	Hearing	Vision
Pre-school	X	X
Kindergarten	X	
1st Grade		X
2nd Grade	X	
3rd Grade		X
4th Grade	X	
5th Grade		X
7th Grade		X
9th Grade		X

Why screen students hearing and vision?

Hearing and vision difficulties can affect school performance, speech and language skills, self-esteem, and social development. Regular hearing and vision screenings identify any problems and ensure they are caught early.

Screenings are safe and help children get prompt medical care to reduce disease, physical damage to ear/eye and permanent loss of sight or hearing. They also help parents and teachers make accommodations to help children succeed.

Will parents be notified students were screened in school?

Each school is responsible for communicating with parents about when screenings are scheduled. All children are screened unless the school office is notified otherwise by a parent/guardian. School personnel must note this on the classroom list that parent requests no screening.

If a child is absent or unable to screen, the technician will leave a letter for the parent to send home with the student. Parents/guardians will be notified by OCHD if the student does not pass a screening with a referral letter to follow-up with the appropriate doctor. State of Michigan law requires OCHD to request follow-up documentation that a child who has received this referral receives further evaluation by a physician. If a child does not pass a hearing screening, they may be referred to their physician or be invited to an OCHD-sponsored Otology Clinic. Otology clinics are offered at community sites throughout Oakland County and allow the child to be evaluated by an ENT (ear, nose and throat) physician and audiologist at no charge for further recommendations.

How can teachers and school personnel assist hearing and vision screenings?

- Notify parents/guardians when screenings will occur and stress the importance of student attendance on those dates.
- Direct parents/guardians to OCHD to answer their questions.
- Avoid scheduling field trips or special events on screening days.
- Collaborate with Public Health Technicians regarding any documentation and accommodations needed to enable successful and efficient screenings.
- Ensure adequate time and space to screen every child appropriately.
- Notify the Public Health Technician if you are aware a student has an implanted medical device such as a shunt, pacemaker, vagus nerve stimulators for preventing seizures, Baclofen pumps for spinal cord injuries, etc. Children with implanted medical devices will not be screened for hearing because they may be at risk for unintended changes in device settings. Children with cochlear implants also are not screened at school. If the student has a medically implanted device and the parent would like a hearing screening, they need to contact their physician for a referral to an audiologist.
- Help distribute any correspondence to parents/guardians in a timely manner.
- Let parents, guardians, or Public Health Technicians know if you notice the following in a student:

Hearing

- Drainage from the ears
- Asks for you or others to speak louder
- Asks for audiovisuals to be played louder
- Misunderstands directions or asks to have things repeated often
- Complains of headaches and/or dizziness after reading

Vision

- Squints, closes one eye, leans forward, or tilts head to see board
- Eye that crosses or wanders even if only when child seems ill or tired
- Holds books and worksheets close to the eyes
- Eyes are frequently red or tearing
- Complains of painful or itchy eyes
