## From the Principal

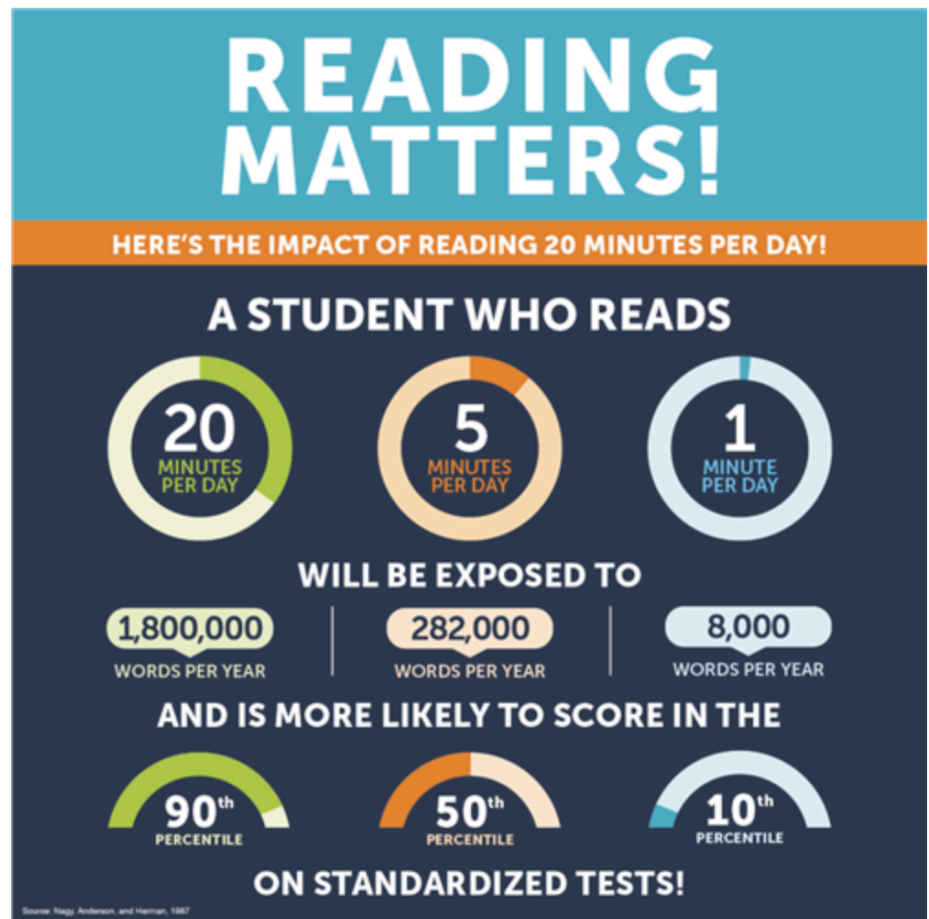

Dear Webb Families,

During our reading night, I was able to share some important information about the importance of reading at home. At Webb we do not send home nightly homework, but we do expect students to read at home each night. We offer books for students to bring home for this. Reading practice makes a big difference. Please check out this visual to see the impact of extra reading. During reading month we want to remind and encourage all of our Webb families to make reading a priority every night at home. If you need any questions or help with this, please reach out to your child's teacher.

Sincerely,

*Corri Nastasi*

Principal, Webb Elementary

## **Bagels**

Every Tuesday is bagel day at Webb. Students and staff can buy bagels for \$1 each. The flavors offered are cinnamon raisin, plain, salt & onion.

## **Ride Needed**

We have a family in need of a ride to school for two students. Parent has had an accident and is unable to drive students to school, but was able to arrange a ride home for them. If anyone is coming from the area of 8 mile and VanDyke and is able to help out, please reach out to the school office (248)658-5900 or email Mrs. Nastasi at [corri.nastasi@myhpsd.org](mailto:corri.nastasi@myhpsd.org).

## **Technology**

Please note that the same rules apply for smart watches as they do for cell phones. Students cannot have any electronic devices from home on them or with them during the school day. We are responsible for monitoring our students on technology and we are not able to do that for devices beyond what the school provides. If your child has to carry a device they must leave it in their backpacks/lockers or give them to their teachers before school. Please make sure you and your child(ren) are following this important rule. If students are using/wearing devices during the school day, they will be confiscated and sent to the office for a parent to pick up at the end of the school day.

## **Bond Meetings**

We have scheduled some 2024 Bond Proposal Informational School Bus Tours for our district. Come and take the bus tour with us or follow along in your car to get a guided tour on what is included in the 2024 Bond Proposal that Hazel Park and Ferndale residents will vote on May 7, 2024.

We also have three Community Meetings scheduled to answer any questions you may have regarding the bond. They last one is April 10 (Zoom - 11 am to 12:30 pm & In-Person - 6:30 to 8 pm). Here is the Zoom link -

<https://hazelparkschools.zoom.us/j/87148878430> - for all three meetings taking place on Zoom. Each In-Person meeting will take place at the Ford Administration Building (1620 E. Elza).

The bond will address several school construction matters, as well as safety and security efforts. We hope the HPS community members will join us for these Bus Tours and Community Meetings. For more information regarding the 2024 Bond Proposal please click on this link - [HPS Bond](#) - for it. The proposed updates for Webb are listed in the box and can also be found on the district website.

This can **ONLY** be done for people that are listed as emergency contacts in MiStar. We **CANNOT** release students early to a person not listed as a contact in MiStar even with a note.

March 2024

## From the teacher Mrs. McClenahan:

I am blown away at the quality of work artists have produced this past month! We learned about and explored some amazing African American artists and created art in their styles. Our hallways are once again filled with visual poetry.

Most recently, the art room has been buzzing with glowing energy as we are painting and creating art with my Donors Choose materials that will glow under black lights. To say artists are excited is an understatement!
