## From the Principal

Dear Webb Families,

Please remember that the school is not responsible for monitoring technology issues between students unless it directly pertains to a threat involving school or breaks our technology rules and is done during the school day. We expect parents to monitor this and suggest blocking people, blocking apps or reaching out to other parents if problems arise. Students are NOT to have any technology with them at school, which includes phones and/or smart watches. Students are absolutely NOT allowed to be on their devices during the school day for any reason. Anything that they bring to school should be left in lockers (we do not have locks for these) or given to the teacher or office during the day. We are not responsible for lost or stolen items. We appreciate your support with this.

Sincerely,

*Corri Nastasi*

Principal, Webb Elementary

## Summer School for Incoming Kindergarten Students

Summer school will be available for students entering kindergarten next year. If you are interested in having your child attend, please sign up with this link: [\(2025\) Kindergarten Readiness Registration Form](#). Registration is based on a first come basis so it is important to sign up early if you want to take advantage of this opportunity.

## Spring Concert & Art Show

On Wednesday, May 14th the 3rd-5th grade students will participate in our annual spring concert. The concert will be at Webb this year in the gym and will start at 6PM. We will also have artwork on display from students in grades K-5. All of our families are welcome. There will be lite refreshments served after the concert.

## Playground After School

As the weather gets nicer, more families choose to stay and play on the playground after school. Please don't forget our school rule about playground use after school. Any students staying on the playground after school **MUST BE ACCOMPANIED BY AN ADULT** and the adult must be physically in the playground area. This does NOT count for older siblings. Students who walk home, must go home and cannot return until after 6PM (when latchkey is done for the day) without an adult. We do NOT monitor the playground after school. Adults **MUST** monitor their students. We appreciate your help with this.

## Arrival/Breakfast at Webb

Please remember that the doors do NOT open for breakfast until 7:40AM. Students should NOT arrive (whether walking or being dropped off) before that time. We do not have any adults working before that time to monitor students. Also, students should NOT be dropped off for breakfast unless they are eating breakfast at Webb. If they arrive early and don't eat, parents will be called and students could be prevented from coming in early if it continues. Students who are just coming to school for the day can enter the school after 8AM. We appreciate your help with this as we do not have staff on duty to monitor students who are dropped off too early.

## M-STEP

Over the course of the next month, our third, fourth and fifth grade students will be taking very important state tests. These tests are very important for Webb. The state uses these results to aid in determining the success of our school. We ask for the help of our families as we embark on these important tests. Please make sure your child gets a good night's sleep and gets to school for breakfast or eats at home each morning before the test. We also ask that you discuss the test at home with your child and talk about the importance of doing their best. The students have been working hard preparing for these assessments at school so they are familiar with the format and have worked to build up the stamina to complete them, so they are equipped to be successful - you can reassure them of this. Any help you can give us with this, is greatly appreciated. Please see the schedule of testing below:

	<u>ELA</u> (reading/writing)	<u>Math</u>	<u>Soc. St.</u>	<u>Science</u>
Third grade:	April 23rd	April 30th	X	X
Fourth grade:	Complete	April 16th	X	X
Fifth grade :	Complete	April 15th	April 22nd	April 29th

## Teacher Appreciation Week Project

National Teacher Appreciation Week is May 5-9, 2025. The Michigan Department of Education's (MDE) Office of Educator Excellence wishes to celebrate teachers across Michigan for the entire month of May.

MDE invites parents to submit 15-30 second videos of their students recognizing and thanking a specific teacher for their impact. Cell phones easily capture the videos. Videos and parental consent must be submitted via the [Teacher Appreciation Video Project Google Form](#). Videos are currently being accepted until Friday, April 16, 2025. Submitted videos may be posted on the [Teacher Appreciation Month](#) webpage and [MDE's YouTube channel](#). The Office of Educator Excellence's [Facebook](#) (@MIeducator) and [X](#) (formerly Twitter) social media pages will be promoting the videos throughout the month of May. If your child has great things to say about a teacher, use the instructions found on MDE's website to submit a video today!

**Introducing the** MICHIGAN Department of Education

### MICHIGAN TEACHER APPRECIATION VIDEO PROJECT

The Michigan Department of Education wants to provide students the opportunity to say positive things about their teachers, so they know they're appreciated.

We'll feature the videos on MDE platforms during May for Teacher Appreciation Month!

*Help students submit their videos to us!*

#### HOW TO RECORD VIDEOS

- Take the video on a video camera or cell phone, but make sure the **video is clear** and the **student can be heard**.
- Record something **SHORT**. 15 to 30 seconds is just right.
- Record something **POSITIVE**. Remember to smile!
- Mention something **SPECIFIC**. What does the teacher do that your child appreciates?
- Your child should include their **FIRST NAME** and their **GRADE**.
- Clearly state the teacher's **LAST NAME** and the **SCHOOL NAME**.
- It's OK to have multiple students in the video.
- It's great to have family members in the video too!

#### WHAT TO SAY

Most importantly, **BE CREATIVE** and **HAVE FUN!**

Besides the **child's first name, grade, school,** and the **teacher's name**, encourage your child to say whatever **positive messages** come to mind.

If you'd like some prompts, try these!

*I like how [TEACHER NAME] teaches because...*

*I appreciate [TEACHER NAME] because...*

*[TEACHER NAME]'s class is great because...*

*Thank you [TEACHER NAME] for being my teacher!*

#### HOW TO SUBMIT VIDEOS

- Videos must be in **.MP4** or **.MOV** format. Most iPhones, Android phones, or video cameras will work just fine.
- When you are ready to send in the video, use the link or QR code below:

**Michigan Teacher Appreciation Video Submission Form**

Michigan Summer EBT is a program through which eligible families will receive \$120 for each child to buy groceries during the summer. Some families will receive Summer EBT benefits automatically, but other families will need to apply, especially those households with eligible children who attend a Community Eligibility Provision (CEP) school.

Those households will apply through an [MI Bridges](#) application. Children who receive Michigan Summer EBT can still participate in other summer meal programs.
