From the Principal

Dear Webb Families,

As allergy season is upon us I want to remind you that students CANNOT carry any medicine on their own at school unless we have medical documentation giving permission for that to happen. This includes but is not limited to cough drops, Tylenol, cold medicine, Motrin, inhalers. Please do NOT send your child to school with any of these items. They will be confiscated and brought to the office if they are in possession of any of these items without medical permission (on file in the office) from a doctor. We appreciate your help and support with this.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Summer School for Incoming Kindergarten Students

Summer school will be available for students entering kindergarten next year. If you are interested in having your child attend, please sign up with this link: [\(2025\) Kindergarten Readiness Registration Form](#). Registration is based on a first come basis so it is important to sign up early if you want to take advantage of this opportunity.

Spring Concert & Art Show

On Wednesday, May 14th the 3rd-5th grade students will participate in our annual spring concert. The concert will be at Webb this year in the gym and will start at 6PM. We will also have artwork on display from students in grades K-5. All of our families are welcome. There will be lite refreshments served after the concert.

Summer School for Students Entering 1st-5th Grades Next Year

Summer school will be available for students entering 1st-5th grade next year. If you are interested in having your child attend, please sign up with this link: [\(2025\) Rising 1st - Rising 5th Grade\(Current\) Registration Form](#). Registration is based on a first come basis so it is important to sign up early if you want to take advantage of this opportunity.

Playground After School

As the weather gets nicer, more families choose to stay and play on the playground after school. Please don't forget our school rule about playground use after school. Any students staying on the playground after school **MUST BE ACCOMPANIED BY AN ADULT** and the adult must be physically in the playground area. This does NOT count for older siblings. Students who walk home, must go home and cannot return until after 6PM (when latchkey is done for the day) without an adult. We do NOT monitor the playground after school. Adults **MUST** monitor their students. We appreciate your help with this.

Arrival/Breakfast at Webb

Please remember that the doors do NOT open for breakfast until 7:40AM. Students should NOT arrive (whether walking or being dropped off) before that time. We do not have any adults working before that time to monitor students. Also, students should NOT be dropped off for breakfast unless they are eating breakfast at Webb. If they arrive early and don't eat, parents will be called and students could be prevented from coming in early if it continues. Students who are just coming to school for the day can enter the school after 8AM. We appreciate your help with this as we do not have staff on duty to monitor students who are dropped off too early.

M-STEP

Over the course of the next month, our third, fourth and fifth grade students will be taking very important state tests. These tests are very important for Webb. The state uses these results to aid in determining the success of our school. We ask for the help of our families as we embark on these important tests. Please make sure your child gets a good night's sleep and gets to school for breakfast or eats at home each morning before the test. We also ask that you discuss the test at home with your child and talk about the importance of doing their best. The students have been working hard preparing for these assessments at school so they are familiar with the format and have worked to build up the stamina to complete them, so they are equipped to be successful - you can reassure them of this. Any help you can give us with this, is greatly appreciated. Please see the schedule of testing below:

	<u>ELA</u> (reading/writing)	<u>Math</u>	<u>Soc. St.</u>	<u>Science</u>
Third grade:	April 23rd	April 30th	X	X
Fourth grade:	Complete	Complete	X	X
Fifth grade :	Complete	Complete	April 22nd	April 29th

Summer School for Students Going to Hazel Park Junior High Next Year

Summer school will be available for students entering 6th-9th grade next year. If you are interested in having your child attend, please sign up with this link: [\(2025\) Rising 6th - Rising 9th Grade\(Current\) Registration Form](#). Registration is based on a first come basis so it is important to sign up early if you want to take advantage of this opportunity.

YMCA SportPort

Our next YMCA after school event will be this Thursday, April 24th.

Teacher Appreciation Week Project

National Teacher Appreciation Week is May 5-9, 2025. The Michigan Department of Education's (MDE) Office of Educator Excellence wishes to celebrate teachers across Michigan for the entire month of May.

MDE invites parents to submit 15-30 second videos of their students recognizing and thanking a specific teacher for their impact. Cell phones easily capture the videos. Videos and parental consent must be submitted via the [Teacher Appreciation Video Project Google Form](#). Videos are currently being accepted until Friday, April 16, 2025. Submitted videos may be posted on the [Teacher Appreciation Month](#) webpage and [MDE's YouTube channel](#). The Office of Educator Excellence's [Facebook](#) (@MIeducator) and [X](#) (formerly Twitter) social media pages will be promoting the videos throughout the month of May. If your child has great things to say about a teacher, use the instructions found on MDE's website to submit a video today!

Introducing the MICHIGAN DEPARTMENT OF EDUCATION

MICHIGAN TEACHER APPRECIATION VIDEO PROJECT

The Michigan Department of Education wants to provide students the opportunity to say positive things about their teachers, so they know they're appreciated.

We'll feature the videos on MDE platforms during May for Teacher Appreciation Month!

Help students submit their videos to us!

HOW TO RECORD VIDEOS

- Take the video on a video camera or cell phone, but make sure the **video is clear** and the **student can be heard**.
- Record something **SHORT**. 15 to 30 seconds is just right.
- Record something **POSITIVE**. Remember to smile!
- Mention something **SPECIFIC**. What does the teacher do that your child appreciates?
- Your child should include their **FIRST NAME** and their **GRADE**.
- Clearly state the teacher's **LAST NAME** and the **SCHOOL NAME**.
- It's OK to have multiple students in the video.
- It's great to have family members in the video too!

WHAT TO SAY

Most importantly, **BE CREATIVE** and **HAVE FUN!**

Besides the **child's first name, grade, school,** and the **teacher's name,** encourage your child to say whatever **positive messages** come to mind.

If you'd like some prompts, try these!

I like how [TEACHER NAME] teaches because...

I appreciate [TEACHER NAME] because...

[TEACHER NAME]'s class is great because...

Thank you [TEACHER NAME] for being my teacher!

HOW TO SUBMIT VIDEOS

- Videos must be in **.MP4** or **.MOV** format. Most iPhones, Android phones, or video cameras will work just fine.
- When you are ready to send in the video, **use the link or QR code below:**

 <http://bit.ly/3xIYhpe>
Michigan Teacher Appreciation Video Submission Form

- To submit your video, you may have to set up a Google account if you don't already have one.
- Be sure to **answer every question** on the submission form. You will be giving consent to the MDE for the use of your uploaded video.

Report Cards

Report Cards are going home with all students Tuesday. We apologize for the delay from last week, but there were some issues that needed to be addressed. The students are given numbers to show their current progress:

4=Student working above grade level expectations

3=Student meeting grade level expectations

2=Student approaching but not meeting grade level expectations

1=Not meeting grade level expectations

We will also be sending home reports regarding your child's reading level and how you can help them at home (IRLA Report).

April 2025

From the teacher Mrs. McClenahan:

It's April and that means we are focused on the Spring Art Show. This year each student will have a self portrait on display, but that's not all. Our hallways will be transformed into a mini neighborhood. Each grade level has started on creating something special for the whole community. I am excited to see it all come together and hope that you will join us in May for this art & music one of a kind event!

Projects & Focus:

Young 5's & Kinder & 1st
grade:

Mini Garden
Rainbows

2nd & 3rd grades:

Coffee filter Flowers
Say Something Self Portraits
Transportation Newspapers

4th & 5th grades:

Michigan Summer EBT is a program through which eligible families will receive \$120 for each child to buy groceries during the summer. Some families will receive Summer EBT benefits automatically, but other families will need to apply, especially those households with eligible children who attend a Community Eligibility Provision (CEP) school.

Those households will apply through an [MI Bridges](#) application. Children who receive Michigan Summer EBT can still participate in other summer meal programs.

Stretch Your Grocery Budget With SUN Bucks!

This Summer

The Sun Bucks program offers a \$120 grocery benefit for eligible school-aged kids, so you can buy more healthy foods and enjoy meals together.
