- 6/9/23 - 4th-5th Grade End of Year Awards/5th Grade Clap-out-9AM
- 6/9/23 - Last Day of School

## From the Principal

Dear Parents and Families,

I want to again share a concern for the safety of our students, staff and families in our parking lot. Please remember that this is a school parking lot and there are young children and families around. We ask that you keep your speed down and follow the lines of the parking lots. That means no parking in crosswalks or cutting through parking spaces to get to drop off.

As always, we ask that you have your children exit the car from the curbside and do not exit them from the car on the parking lot side as this can be very dangerous.

Our back lot is being repaired this week, so there will be no access to the back lot for our special ed busses and families. That means they will be exiting their cars at the back of the parking lot. Please be cautious and patient as we navigate sharing our drop off space.

Sincerely,

*Corri Nastasi*

Principal, Webb Elementary

## Summer Spectacular

We are in need of many volunteers for our PTA Summer Spectacular on Tuesday, June 6th. If you can help out with this please fill out the form below (they are also being sent home with students today) and return to school or email our PTA at

[WebbPTA@hazelparkschools.org](mailto:WebbPTA@hazelparkschools.org). We appreciate any help you can give.

## **Bagels**

Due to the holiday weekend next week and then summer spectacular the following week, this week will be our LAST week for bagels.

## **Parent Advisory Board Needed**

Parent input is important. We are in need of some parents that would be willing to be part of our Webb Parent Advisory Board. This would only be a commitment of about an hour per month. We would get input from this group when making decisions that would impact Webb. We would love to have many families represented. If you are willing to make this small commitment, please reach out to me by phone at 248-658-5900 or by email at [corri.nastasi@myhpsd.org](mailto:corri.nastasi@myhpsd.org).

## **Summer School**

Please see the flyer below about summer school in Hazel Park this summer. Here is the link to sign your child up for this: [Grades K-5 \(Current Grade\) Summer School](#)

## **End of Year Awards/Celebrations**

Under the "Important Dates" section above, I have included some important dates for the rest of the school year. I know it is helpful to get these dates in advance so you can plan to attend or adjust work schedules, etc. We do put these dates out on our calendar that comes out each year and they are always on the school and district website as well, but sometimes it is helpful to see it in another place. We always look forward to having our family members at these important events.

## **Testing**

One last week of testing. This week the whole school will be completing I-Ready testing in math. This testing is also important and helps us to see growth and make decisions that impact reading groups and resources, etc. Please be sure to encourage your child to do their best and help support them by ensuring they get a good night's sleep throughout the week. Next week we will be finishing up our standardized testing with I-Ready testing in math.

## **Fresh, Frozen, or Canned?**

Fruit and veggies are great for our health, whether they are fresh, frozen, or canned! They are all very nutritious! When you buy canned fruit or veggies, find products packed in water, not syrup. Frozen fruit is great to add to smoothies and you can always freeze your own fresh if it starts to ripen too quickly for consumption! Rinse canned vegetables in a strainer to reduce the amount of salt, or rather, look for no-salt added options! Frozen vegetables are handy to add to meals, right out of the bag to add much needed nutrients! No matter what form fruits and veggies are in, try to add more to all meals. Check out [this parent tip sheet](#) to learn about the different forms fruits and veggies can be bought and used.

BHC wishes you a happy and healthy summer! Check out BHC's parent tips sheets featuring the [Health Benefits of Gardening](#) and a recipe to make [Campfire Banana Boats!](#) Thanks for a wonderful year and helping to improve the health and health knowledge of youth! [& Save!](#)

# Summer Spectacular Volunteers Needed!!

Our PTA is sponsoring a school wide Summer Spectacular Field Day On Tuesday, June 6, 2023. Classes will participate in some old fashioned games, bouncy activities, and a train ride. In order to make this event happen we need your help. Volunteers are needed to help at each station. All volunteers must have an approved background check (I-CHAT) on file for this school year. If you are planning on helping and do not have a current I-CHAT on file, please fill out the attached form and send in a copy of your current driver's license ASAP. This process could take a couple weeks so the sooner you come we can make sure you're able to help. Please sign up below or email [WebbPTA@hazelparkschools.org](mailto:WebbPTA@hazelparkschools.org).

Anytime or anything you can do will be GREATLY APPRECIATED!!! We will provide lunch for all volunteers. This is a FANTASTIC opportunity to be with the children, have fun, and help out with a very good cause.

PLEASE.....PLEASE.....PLEASE.....PLEASE.....PLEASE.....PLEASE
