6/10/22 - Webb 5th grade clap-out 10AM
6/10/22 - Last day of School

From the Principal

Dear Parents and Families,

Our School year is quickly coming to a close. We are doing our best to keep the kids engaged and learning. Please remember we need to finish strong, so every day of attendance matters and it is still important for your child(ren) to get a good night's sleep every night, even with it staying lighter later. Please keep up with those important routines. We appreciate your support with this. We are looking forward to lots of fun events and important learning in these last few weeks of school.

Sincerely,
Corri Nastasi

End of Year Awards

Please see the schedule above for end of the year awards for each of our grade levels. All families of students are welcome into the school for these events. We hope to see you there. In grades 1-5 awards will be given for academic achievement, effort, grade level completion, attendance effort (no tardies) and good citizenship to students who

Life Club

Life Club will meet this Thursday right after school until 4:15. If anyone has questions, please contact susan.tompkins@hazelparkschooks.org

Re-Enrollment

You should have received information from the school a few weeks back regarding your login and pin for re-enrolling your child(ren) online. Please do this as soon as possible. This information helps to plan and prepare for next year. Also, please be sure to UPDATE ALL OF YOUR EMERGENCY CONTACTS. Remember that only emergency contacts in our system can pick students up from school so now is the time to edit that list to add or take people out. Thank you in advance for your support with this.

Re-Enrollment Event-Kona Ice Truck

On Tuesday, June 7th, the Kona Ice Truck will be at Webb from 3-5PM. The price of a slushie ranges from $3 - $7. All Webb families that are re-enrolled will get a certificate for one free Kona Ice per family. We will have computers and district personnel on hand to help with re-enrollment that day before, during and after school. You will still get a certificate if you enrolled your family from home, so please take advantage of this opportunity to get your child(ren) re-enrolled for school for next year. Thank you in advance for your help with this. This really helps us with planning and preparations for next year.

Teacher Requests

While we discourage parent requests for teachers, we understand there are some specific reasons that may be relevant, and we will always consider any parent requests. The last date for accepting these is May 27. After that we will be making the classes and will no longer consider requests. Thank you for your support with this. Requests can be made via email to chris.martin@hazelparkschools.org

Summer Spectacular

A sign-up form went home last week with all the students for our Summer Spectacular. If you would like to volunteer, please fill out the form as well as the background check form (also requires a copy of your current driver's license or state id) to help out with this fun event. You could do a half day or full day. We hope to see you all there. There will also be opportunities for you to re-enroll your child(ren) while you are at the event.

Playground - Warm weather

Now that the weather is starting to get warmer, I want to remind you all about the rules for the playground after school. All students **MUST** connect with a parent/guardian **BEFORE** going to the playground. They cannot go straight from their teacher to the playground. It is also a requirement that there is an adult on the playground (sorry, in the car doesn't count) with the students after school. Students cannot be there unsupervised. If kids go home and are given permission to come back up to the playground, they can come back after 4PM.

Summer Spectacular

We are so excited to bring back the summer spectacular to Webb this year. We will have this event at Webb on June 7th. We will need lots of help to make this a success. If you plan to help out with this event, you will need to have a background check completed. Please come to the front door and we will get you one. We will also need a copy of your license along with it.

Reading Rewards Jimmy Johns Game

We wanted you to be aware that this note along with a coupon for a free ticket to a baseball game at Jimmy John's Field came home with your student either late last week or early this week. We wanted to make sure it doesn't get lost in your child's papers in his/her backpack in case you are interested in attending. Each student should have received one. We hope to see you there! Here is the note that was sent home with the ticket voucher:

CONGRATS ON HITTING A HOME RUN!

- One complimentary ticket to a professional baseball game at Jimmy John's Field is attached because your student completed the 2022 Read United Reading Program at Webb. We hope many Webb families will attend the game June 16, 2022. Tickets for that game are on a first come first serve basis!
- Students will be honored on the field before the game. Please arrive 45-60 minutes before the game. Then, 20 minutes before the game, students and families may go on the field for recognition.
- There are dates other than June 16th available. If tickets are purchased for another eligible date, when the complimentary ticket code is entered, they know it's a Webb student and still have the same recognition process on the field.
