From the Principal

Dear Parents and Families,

As we start to wrap up our year over the next few weeks, I wanted to send out a very sincere thank you to all of our parent volunteers. We are lucky to have parent volunteers support our PTA, sell bagels, help with the flag, attend field trips and help with class parties. We also have classroom volunteers who help support teaching and learning as well as those who volunteered to help us out during lunches so our teachers could have a special lunch at the holidays and during teacher appreciation week. We also appreciate those going the extra mile to make donations of snacks, supplies, money etc. to support our classrooms and students. It is so great to be able to have volunteers back working with our students and supporting our classrooms. Thank you from the bottom of our heart for all you do to make Webb a great place to learn.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Bagels

We are done selling bagels for this year. A great big thank you to Mrs. Stimac and Mrs. Yash for selling these every week for us. The money from this is used to help pay for behavior celebrations and rewards throughout the year. We appreciate our volunteers as well as everyone who sends in money for their students to buy bagels.

Cookbook coming home

Our Food Service team is sending home a cookbook with some recommended recipes for you and your family to have. I have heard that some people have already tried some of the recipes and they are pretty good. Reading recipes is another great way to get some reading practice this summer for our students, not to mention the quality time spent together cooking and baking. Enjoy!

Summer Spectacular

Last call for volunteers for our PTA Summer Spectacular on Tuesday, June 6th. If you can help out with this please fill out the form below (they are also being sent home with students today) and return to school or email our PTA at

WebbPTA@hazelparkschools.org. At this point, we can only take forms from those who already have approved background checks on file through the district since we are so close to the date of our event. Thanks to all those already signed up.

Books coming home

This year the district purchased a new reading resource to be used during reading and writing. We still have quite a few resources left over from our old resource. We will be sending home some old textbooks and workbooks at the end of this week. The students can use them to "play school" over the summer or they can be used for extra reading and writing practice. Next week we will also send home a bag of books for each student. These books can be read at home over the summer for extra practice. All of these materials are yours to use as you choose. Hopefully they are helpful.

Parent Advisory Board Needed

Parent input is important. We are in need of some parents that would be willing to be part of our Webb Parent Advisory Board. This would only be a commitment of about an hour per month. We would get input from this group when making decisions that would impact Webb. We would love to have many families represented. If you are willing to make this small commitment, please reach out to me by phone at 248-658-5900 or by email at corri.nastasi@myhpsd.org.

End of Year Awards/Celebrations

Under the "Important Dates" section above, I have included some important dates for the rest of the school year. I know it is helpful to get these dates in advance so you can plan to attend or adjust work schedules, etc. We do put these dates out on our calendar that comes out each year and they are always on the school and district website as well, but sometimes it is helpful to see it in another place. We always look forward to having our family members at these important events.

Testing

We are happy to report that we are mostly done with standardized testing for this year. We have a few students who were out that still completing some tests, but for the most part we are done. Thanks for all you do to support our students from home during testing.

Summer Spectacular Volunteers Needed!!

Our PTA is sponsoring a school wide Summer Spectacular Field Day On Tuesday, June 6, 2023. Classes will participate in some old fashioned games, bouncy activities, and a train ride. In order to make this event happen we need your help. Volunteers are needed to help at each station. All volunteers must have an approved background check (I-CHAT) on file for this school year. If you are planning on helping and do not have a current I-CHAT on file, please fill out the attached form and send in a copy of your current driver's license ASAP. This process could take a couple weeks so the sooner you come we can make sure you're able to help. Please sign up below or email WebbPTA@hazelparkschools.org.

Anytime or anything you can do will be GREATLY APPRECIATED!!! We will provide lunch for all volunteers. This is a FANTASTIC opportunity to be with the children, have fun, and help out with a very good cause.
