11/20/25 - Student of the Month Breakfast 7:30AM

11/26-11/28 - No School - Thanksgiving Recess

From the Principal

Dear Parents and Families,

This month we have been learning about bullying. We have learned that bullying is intentional, causes harm, is repetitive and is the result of one person or group of people that have power over another (whether that is social power or physical power). Sometimes it is easy to identify a student who has done something mean as being a bully or bullying behavior when, in fact, sometimes kids just do mean things. We work at Webb to help encourage students to be kind to each other and support each other. All month long we have learned about standing up for each other and walking away if someone is being unkind.

However, we know bullying still happens, so we have ways that it can be reported. We have forms in the office that can be filled out by family members, students or staff. We also have a bullying reporting form on our Website. We take bullying seriously as well as any mean behavior that is happening at Webb. We hope you will work with your child if they report behavior to you to decide if it is just someone doing something mean or if it is bullying (repetitive, intentional, harmful and involves unfair power) and needs to be reported. We are here to help you if you aren't sure and want to talk through it. As always we appreciate your continued support. If you have any questions or concerns, please feel free to reach out to me via email; corri.nastasi@myhpsd.org or by phone; 248-658-5900.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Reading at Home - 30 Minutes - Every Student - Every Day

YMCA SportPort

Due to some scheduling issues we will be having YMCA two weeks in a row and then we will be off for a few weeks. Here is the link for our YMCA sportport club which will be held Thursday after school:

https://anc.apm.activecommunities.com/ymcadetroit/activity/search/detail/112784?onlineSiteId=0&from_original_cui=true

Picture Re-Take Day

If your child missed picture day our retake day is scheduled for November 12, 2025 in the morning. If you don't like the pictures when you get them back, you can bring back the whole original package or photos and participate in retakes at that time.

Employment Opportunities @ Webb

We are looking for people to fill open positions at Webb. If you are interested in working at Webb as a paraprofessional, please go online at

<https://www.hazelparkschools.org/departments/human-resources/employment-opportunities/> to apply.

Bagels

We sell bagels on WEDNESDAYS this year. We offer salt, plain, cinnamon raisin & onion. Students who are late will NOT be allowed to buy a bagel unless they have a doctor's note for their tardiness. The cost of the bagels is \$1.25. Please keep in mind that all proceeds from these sales support our positive behavior celebrations throughout the year.

October is Anti-Bullying Month

October is Anti-Bullying Month and we have a series of activities planned to support this initiative at Webb. We will be kicking off with our monthly Monday Morning Meeting next week. Throughout the month the morning announcements will give tips and information about bullying. The students will be doing different activities each week as they learn about what bullying is and is not and tips for stopping bullying or reporting it if they see it. We will also have special dress up days each week to show our support. Our hope is to bring awareness to our whole Webb community.

Anti-Bullying Dress-up Days:

Friday, October 17th - Put Bullying to Rest - Wear pajamas to school

Wednesday, October 22nd -Unity Day:For Kindness, Acceptance and Inclusion - Wear orange

Tuesday, October 28th -Stomp Out Bullying - wear Webb gear w/paw prints or dark blue

Trunk or Treat

The PTA will again have a Trunk or Treat at Webb. It will be on Thursday, October 30th from 5:30-6:30PM. Flyers will go home with students this week (flyer is also down below). Cars that will be using their trunk to pass out treats can arrive between 4:30 and 5:15. Please do not arrive later than 5:15 if you plan to pass out treats from your trunk. The Webb parking lot will probably not be able to support the trunk or treat and parking for all, so you may need to park on the streets across from Webb or possibly the church next door or park behind the school. We will also have some Halloween activities/games and concessions where you can get a slice of pizza or a can of pop for \$1. Hope to see all of our Webb families there!

Family Survey

We are hoping that you will take a few minutes to take our family survey. This information greatly helps us to make decisions about our school. We capture similar survey information from our students and staff as well. Please help us out by taking this survey. Here is the link: <https://assessment.pbisapps.org/Anon/JVa20EcA4m0>

Halloween Parade

Friday, October 31, will be a half day for our students. That day we will celebrate Halloween with our students and all students will be able to wear costumes to school (no blood, weapons, or scary masks). There will be a Halloween parade at 10:30AM for all of our parents/family members that want to attend. Our first choice is to parade outside around the small playground. If the weather is bad, we will invite family members into the gym and parade around the gym. Hope to see you there!

Family/School Conferences

The Webb staff will be hosting Family/School Conferences on Thursday, October 23rd from 12:30-3:00PM and 5:30-7:00PM. Your child's teacher should have sent home information regarding signing up for a time slot for these meetings. It is very important that families attend these events to learn about their child's progress.

Kindergarten Dental Screenings

The Oakland County Health Division will be visiting our school for kindergarten dental screenings on Thursday, October 16. A dental hygienist will perform a simple, quick screening by looking into your child's mouth and noting what they see. The hygienist will wear a mask and gloves, and only use single-use disposable supplies for screenings. Dental screenings are now a requirement for all kindergarteners in the state of Michigan. Dental screenings help find cavities and other oral health concerns to help children thrive at school. Learn more about the dental screening program at <https://www.oakgov.com/community/health/public-health-services/healthy-lifestyles/dental>

LEADING WITH PREVENTION PT 2

COALITION ENGAGEMENT TRAINING

This training will explore how National Prevention Frameworks connect to HPCC's coalition work and the DFC work plan.

Together, we'll examine strategies at the individual, community, and policy levels—including communication, education, policy adoption, and enforcement—and how they strengthen prevention impact.

Join us to deepen understanding and enhance coalition engagement.

Thursday, October 16, 2025 @ 4 p.m.

Hazel Park High School
Media Center
23400 Hughes Avenue
Hazel Park, MI 48030

Daycare & food will be provided....invite a friend to join!

welcome to the

Artist Studio

October 2025

From the teacher Mrs. McClenahan:

It's been a fun start to the year. We have eased in slowly by building community and fostering a love for all types of creative learning. This has looked like partner drawing games, 3 marker challenges to expand our critical thinking, and focusing on taking care of our supplies and cleaning up to earn more freedom in our art room. We have also squeezed in some creative art making. Art is starting to make its way to the hallways, then home for your walls and refrigerators.

Projects & Focus:

Young 5's & Kinder & 1st grade:

Lines & Shapes
Shapes Collage

2nd & 3rd grades:

Organic Shapes Collages

4th & 5th grades:

Collages w/ emphasis on a focal point and telling a story.

Projects & Focus:

ASD & C.I. :

Lines
Shapes

Reminder:

"Art is messy!"

We will use paint and other messy mediums periodically. Please send your artist to school on their art days in clothing that you feel comfortable getting messy.

*Most supplies are washable.

welcome to the

Artist Studio

October 2025

Highlights:

5th graders used prior knowledge to describe and analyze famous artworks for their partners in our favorite blind drawing game "Draw that Masterpiece."

Highlights:

Artist have been exploring shapes and how putting them together can make something new. They use cards and follow step by step or create their own unique images.
