From the Principal

Dear Webb Families,

This week all of our families are invited up to Webb on Friday morning at 10:30 for our annual Halloween parade. We plan to parade around the outside of the Webb playground as long as the weather cooperates. If it is too cold or rainy, we will open the gym doors and let the families in to the gym to see the parade. Please remember that all costumes must be appropriate for school and there can be no weapons or blood and we ask that they not be excessively scary. We hope to see you all at the parade on Friday and wish you all a safe and happy Halloween.

The PTA will be having our annual Trunk or Treat on Thursday, October 30th from 5:30-6:30. We are still in need of trunks and treats. There will be food available for purchase for those wishing to have an opportunity to eat. Please see the flyer below for more information.

If you have any questions or concerns, please feel free to reach out to me via email; corri.nastasi@myhpsd.org or by phone; 248-658-5900.

Sincerely,

Corri Nastasi

Reading at Home - 30 Minutes - Every Student - Every Day

Shoe Drive

Edison is holding a shoe drive (new or used). Please drop off your donations in the main office at Edison (1650 Mapledale, Ferndale).

YMCA SportPort

The next event will be on November 13.

Bagels

We sell bagels on WEDNESDAYS this year. We offer salt, plain, cinnamon raisin & onion. Students who are late will NOT be allowed to buy a bagel unless they have a doctor's note for their tardiness. The cost of the bagels is \$1.25. Please keep in mind that all proceeds from these sales support our positive behavior celebrations throughout the year.

Picture Re-Take Day

If your child missed picture day our retake day is scheduled for November 12, 2025 in the morning. If you don't like the pictures when you get them back, you can bring back the whole original package or photos and participate in retakes at that time.

Halloween Parade

Friday, October 31, will be a half day for our students. That day we will celebrate Halloween with our students and all students will be able to wear costumes to school (no blood, weapons, or scary masks). There will be a Halloween parade at 10:30AM for all of our parents/family members that want to attend. Our first choice is to parade outside around the small playground. If the weather is bad, we will invite family members into the gym and parade around the gym. Hope to see you there!

Trunk or Treat

The PTA will again have a Trunk or Treat at Webb. It will be on Thursday, October 30th from 5:30-6:30PM. Flyers will go home with students this week (flyer is also down below). Cars that will be using their trunk to pass out treats can arrive between 4:30 and 5:15. Please do not arrive later than 5:15 if you plan to pass out treats from your trunk. The Webb parking lot will probably not be able to support the trunk or treat and parking for all, so you may need to park on the streets across from Webb or possibly the church next door or park behind the school. We will also have some Halloween activities/games and concessions where you can get a slice of pizza or a can of pop for \$1. Hope to see all of our Webb families there!

Reading at Home

This week students who met the reading goal for the first quarter were given a treat during reading time and a golden ticket for our quarterly reading celebration party as a reward for all of their hard work. We are inviting families to join us at any reading meeting on Wednesday, October 29th to earn a "golden ticket" for their child if they did not meet our reading goal. These letters were sent home with students who did not get a "golden ticket". We hope to see many families at this event.

October 22, 2025

Dear Webb Family,

Today at Webb we celebrated our students who have been working hard to meet their at home reading goal (30 minutes per night) and have reached it 80% of the time. The students received a special treat during reading time and a "golden ticket" to get into a special reading celebration (held during school in the next few weeks). While your child did not receive either of these rewards, there is an opportunity for you to come to one of our parent meetings and get a "golden ticket" so that your child can attend the celebration. We will have these meetings on **October 29** at many times throughout the morning, day and evening to make it as convenient as possible for anyone to attend. The time slots will begin promptly at:

7:45AM

8:15AM

11:00AM

1:15PM

2:45PM

3:15PM

4:00PM

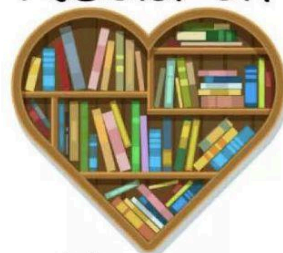

6:00PM

We hope you are able to find a session to attend to support your child. fThere is no need to sign up for a specific slot, just show up for a time that works for your schedule. Please check in at the front office at the required time and we will escort you to the room. If you attend one of these meetings, you will receive a "golden ticket" to give to your child. We would love to see Webb get 100% attendance at this. Please feel free to reach out to the office with any questions. 248-658-5900.

Sincerely,

The Webb Building Leadership Team

October is Anti-Bullying Month

October is Anti-Bullying Month and we have a series of activities planned to support this initiative at Webb. We will be kicking off with our monthly Monday Morning Meeting next week. Throughout the month the morning announcements will give tips and information about bullying. The students will be doing different activities each week as they learn about what bullying is and is not and tips for stopping bullying or reporting it if they see it. We will also have special dress up days each week to show our support. Our hope is to bring awareness to our whole Webb community.

Anti-Bullying Dress-up Days:

WELCOME TO STEAM

Fall 2025

NICE TO MEET YOU!

A new STEAM Teacher? What!?

Hello Webb families! I am so excited to introduce myself, my name is Ms. Webb (yes, just like our school name!). I am a first year teacher, and graduated from Wayne State University!

We have had an electric start to our year, as I have started to get to know all of our students. When I graduated from Wayne, I had only ever worked with one grade level at a time, but now I get to see all the grades everyday and I am loving it!

What is STEAM?

You may be wondering, what is STEAM? While your student is in my class, we work on all the different elements of STEAM:

Science, Technology, Engineering, Art, and Math!

Our main focus at the start of our new school year has been learning our STEAM classroom expectations, as I am new to most of the students. So, we have been creating a safe, encouraging environment to work in together. Because of this, we have done a lot of teamwork challenges, because it is crucial in STEAM to work together!

MS. WEBB

STEAM MATERIALS

We use all kinds of materials in STEAM! Often they are simple items found around in your home! I will always accept any of the following:

Cardboard / Cardboard Tubes

Beads

Rubberbands

Egg Cartons

Paper Plates

Felt / Fabric

Yarn / String

Plastic Bottles / Jugs

OUR FOCUS IN STEAM...

Teamwork

Teamwork in STEAM is super crucial to a successful experience in class! So, all students have had different team challenges to work together on solving.

Engineering

Kinder students have been practicing a lot with engineering different builds and designing them. Problem solving, and adjusting their designs when they do not work out.

ONLINE SAFETY

Unit One

WHAT WE'VE BEEN LEARNING

Online Safety

Because our students are living in a technology heavy world, in STEAM we make a point of discussing how to stay safe while we are online. Including what safe apps or websites are, what to post or share while we are online.

Using Technology

Our younger students (K-2) use iPads, and older students (3-5) use Chromebooks. So, we have been reviewing expectations of using them. Then, we have been going through how to use them in our learning environment and practicing those skills.

Netiquette

Netiquette is a big vocabulary word we have been using! This is a set of rules for proper and respectful behavior online. We need to be kind, show respect,, and follow rules to be safe while online just like we do in our real lives offscreen.

Digital Citizenship

As someone growing up in a technology heavy world, just as we want to be good citizens in school and at home; we also need to be good citizens while online. This looks like not sharing private information, not visiting unsafe apps or websites and being kind to all.

Find Balance

NOTE FROM MS. WEBB

Make sure that when if your student is having screen time, whether before or after school, that is balanced with other activities. We have discussed the importance of media balance, if we are on our device for an hour, we should spend an hour playing outside or reading.

PERSONAL VS PRIVATE INFO

We have been talking a lot about Personal VS Private information in 2nd Grade, private information is what can I identify us, or tell people about who we are. While personal information is things that are okay to share, because it does not identify us online.

PERSONAL

VS

PRIVATE

- The toys you have
- What you had for dinner last night
- The best song
- Your favorite color
- If you like dogs or cats

- Full Name
- Address
- Phone Number
- Password
- School Name
- Birthdate

INTERNET TRAFFIC LIGHT

In 1st Grade, we have reviewed the Internet Traffic light, this helps us to remember how to judge if a website is safe, not safe, or we need to ask an adult.
