June 5, 2020

Greetings Hazel Park High School families!

As we enter for the final week of the school year, our thoughts turn to you and your loved ones. Though we will be officially closing out the 2019-20 school year, we remain committed to your students as we plan for their safe return in 2020-21.

Ken Milch  Latoya Hall-King  Dr. David Muylaert
Principal  Assistant Principal  Athletic Director

If you are attending OCC this fall, please note the following important item from Mr. Moussa Traore, HPHS Postsecondary Success Coach

http://support.zoom.us/
Attending this is mandatory for any students planning to register at OCC and use the Promise Zone Scholarship.

Graduation! We have scheduled August 6th as Graduation for our Hazel Park Class of 2020. We are planning a traditional graduation on our football field. We have set this date as far out as possible in order to get the celebration we are all hoping for. Should any orders by the governor prevent our ability to hold this ceremony we will notify families immediately. Please watch for emails and our HP website for more information in July. We are proud of our Seniors and can’t wait to celebrate our Viking Graduates with you.

The following information was sent to all HPHS Seniors:

**Caps and gowns:** We delivered caps and gowns as well as yearbooks (if your student ordered one) to seniors during the past week. If you haven’t gotten one, or if you’re missing something, please let us know.

#allinallthetime
Class Day: The Class Day senior honors program was uploaded to the District YouTube channel on May 27. We hope you will watch and celebrate the many accomplishments of our students.

News from our College Adviser Ms. Berns

If you would like to be featured on the HazelParkSenior2020 Instagram, D'M your picture and info to me!

As always I am here to help with deposit questions, enrolling, confirming your plans or financial aid!

SCHEDULING FOR 2020-21

All students received a document from the counseling department regarding entering course selections for next year. Please be sure your student chooses classes for next year, and if you have questions, don’t hesitate to contact your counselor, or school administration. The instructions for scheduling appear below, repeated from the email sent by counselors.

To schedule classes for the 2020-2021 school year, we’ll be asking you to enter your class selections online through your MiStar account.

Your required CORE classes have been selected for you. You will be requesting your electives and foreign language. If you want to request a Pre-AP or AP class, you will also need approval from your teacher or the AP teacher. If you have already taken one of the pre-selected classes, you can request the one that you need.

Steps for Online Registration

· Log onto your MiStar account
· Choose the 2020-2021 school year
· Click on Requests at the bottom of the list on the left side of the screen
· Click “Add Classes” to get to the list of course offerings for next year.

#allinallthetime
HAZEL PARK HIGH SCHOOL  
WEEKLY UPDATE

· Now, choose your classes, one at a time, in the selection box at the left side of your screen

  o The classes are listed in alphabetical order
  o Don’t choose a class if you don’t know what it is
  o Keep in mind that you need to choose both semesters of a class (for example, Algebra A and Algebra B)
  o Keep in mind that you may need to retake a class you previously failed
  o If you can’t figure out which class you need, email your counselor

· Each time you choose a class, click the “add selected class” button
· When you are sure you have all of your classes selected, click Submit.

You can access the Course Selection Book by clicking here.

Important notes:

Please do not choose any course with “Basic”, “DL” (Distance Learning), “CASA” or “VVA” in the title. Counselors will assign these courses separately if necessary.

Do not add “lunch” as a course selection.
Do not add “P&C” as a course selection.

If you have any questions or concerns please email your counselor!

Free online tutoring in a variety of subjects is available through Khan Academy. Students can create a free account using a personal email address (such as a Gmail). Visit https://www.khanacademy.org/ Khan Academy can be linked to your student’s College Board account for truly valuable preparation for academic subject areas, Advanced Placement (AP) courses, and SAT/PSAT practice.
