Dear Hazel Park Schools’ Families,

If you were unable to schedule a time for packet pickup on Friday May 1, click the following link to select a time for the May 4 Packet Pick-Up. When you complete the form, you will be asked if you plan on picking up a work packet each week for the remainder of the school year after which you will not need to fill the form out each week. If you complete this form over the weekend, please schedule your time for Monday after 9 a.m. If you complete it on Monday, please give us at least one hour to create your packet. If you need assistance, please email joan.rybinski@hazelparkschools.org or NANCY.ANDERSON@hazelparkschools.org.

Following recommended social distancing guidelines, pick up will be curbside into your trunk. Please have your trunk open. Children are prohibited at packet pick-up. Please place a sign in your dashboard or taped to the window with your child or children’s names and their school. This will ensure our pick-up line moves quickly and efficiently.

Packet Drop Off: Please make sure your student’s name and school is on the front of the packet and your student’s name on every page to ensure credit and the packet is secured together. You can drop off packets as they are completed and your student’s teachers will reach out with feedback.

There are three options by which to turn in homework:

- Google Classroom
- Scanning (CamScanner is a great free app) or photographing and emailing to your teacher
- Black Mailbox for Packet Drop-off is located in front of the Ford Administration at 1620 E. Elza, Hazel Park 48030 anytime! The box is on-site and available 24/7.

With students in mind,

Dr. Amy Kruppe
Superintendent
