Dear Hazel Park Schools’ Families and Community,

Hazel Park Schools is made up of an incredibly talented and dedicated team of teachers and staff committed to providing a superior education with the well-being of our entrusted students always at the forefront. It is our hope that you and your children will join our Hazel Park Schools Community.

We cordially invite you and any children you know who are ready for Kindergarten to our very first Virtual Kindergarten Open House on May 20 from 6:30 p.m. to 7:30 p.m. for the 2020-2021 school year. As your student/s begins this virtual journey, you will have the opportunity to meet our Superintendent, our Elementary Principals and our Kindergarten Teachers.

We will guide you through a day in the life of our kindergarten students as they enjoy learning Reading, Writing, Math, Social Studies and English Language Arts along with an abundance of special classes including Art, Music, Physical Education, STEAM and Recess of course!

If your child will not turn five by September 1, 2020, please contact Andrea Bratton at (248) 658-5501 for more information about our preschool programs at Webster Early Childhood Center. Each of our elementary schools is offering a Young 5's programs for children who turn 5 between June 15th and December 1st as well as for any child who needs additional opportunity to develop their skills.

We will prepare you for what to expect in the fall and provide information about our Parent Teacher Association, a wonderful way to be further involved in your children’s education while making a monumental difference in the lives of so many.

There will of course be additional nuggets of valuable information and resources that you will not want to miss and we implore you to join us and allow us the opportunity to entice and entertain!
To access our Virtual Open House on zoom, please click on the Virtual Kindergarten Information Night Zoom Link in blue below. If you have any questions or technical difficulties, please contact adhome@hazelparkschools.org. We will have secretaries available to help with enrollment questions at the zoom but if you have questions anytime, please call our building secretaries or the enrollment team.
