4. The Superintendent will review the student's discipline records upon receipt from the prior school and will either approve or deny the application. This could take some time, as there is often a delay in receiving discipline records. Applications will not be considered until discipline records are received and reviewed.

6. You will be notified when your application is approved or denied. Denial would be based on past discipline. Denial of the application may also occur if we are unable to reach a mutual agreement with the student's home district/ISD related to responsibility for added costs for special education services (if applicable).

7. You may enroll your student once the application is approved.
